## **The Human Face Of God:**

*The Human Faces of God* Thom Stark, 2011 Does accepting the doctrine of biblical inspiration necessitate belief in biblical inerrancy The Bible has always functioned authoritatively in the life of the church but what exactly should that mean Must it mean the Bible is without error in all historical details and ethical teachings What should thoughtful Christians do with texts that propose God is pleased by human sacrifice or that God commanded Israel to commit acts of genocide What about texts that contain historical errors or predictions that have gone unfulfilled long beyond their expiration dates In *The Human Faces of God* Thom Stark moves beyond notions of inerrancy in order to confront such problematic texts and open up a conversation about new ways they can be used in service of the church and its moral witness today Readers looking for an academically informed yet accessible discussion of the Bible's thorniest texts will find a thought provoking and indispensable resource in *The Human Faces of God*

**The Human Face of God** Cormac Murphy-O'Connor, 2005-08 [God's Human Face](#) Christoph Schoenborn, 2011-03-30 The principal editor of the Catechism of the Catholic Church presents the sources of meditation on the mystery of God's human face from the great Masters of early Christianity Artists and theologians have meditated upon the mystery of God's human countenance and tried to express it This book seeks to present the great sources of this meditation sources which today are widely unknown or have become foreign or obscure These sources are above all the great masters of early Christianity In their meditation upon Christ Bishop Schonborn seeks the sources of the art on the Icon The reader will find not only an engaging introduction to the meaning and beauty of Icons but an invitation to draw closer to the One who inspired these Masters of theological expression and holy art Includes beautiful color Icon illustrations

The Human Face of God [By] John A.T. Robinson John Arthur Thomas Robinson,1973      **Saving Face** Stephen Pattison,2016-04-01 Faces are all around us and fundamentally shape both everyday experience and our understanding of people To lose face is to be alienated and experience shame to be enfaced is to enjoy the fullness of life In theology as in many other disciplines faces as both physical phenomena and symbols have not received the critical appreciative attention they deserve This pioneering book explores the nature of face and enfacement both human and divine Pattison discusses questions concerning what face is how important face is in human life and relationships and how we might understand face both as a physical phenomenon and as a series of socially inflected symbols and metaphors about the self and the body Examining what face means in terms of inclusion and exclusion in contemporary human society and how it is related to shame Pattison reveals what the experience of people who have difficulties with faces tell us about our society our understandings of and our reactions to face Exploring this ubiquitous yet ignored area of both contemporary human experience and of the Christian theological tradition Pattison explains how Christian theology understands face both human and divine and the insights might it offer to understanding face and enfacement Does God in any sense have a physically visible face What is the significance of having an enfaced or faceless God for Christian life and practice What does the vision of God mean now If we want to take face and defacing shame seriously and to get them properly into perspective we may need to change our theology thought and practice changing our ways of thinking about God and about theology      *The Human Face of God* Bill Graham,2017-01-19 This book is a series of reflections on Jesus as we meet him in the pages of the Christian documents known as the Gospels In them Jesus of Nazareth is presented as the answer to the deepest questions of the human spirit These questions include Does God exist Do I matter to God Can God help me How and where can I find God Jesus of Nazareth claimed to be the answer to all these questions He claimed to be the human face of God In the Gospels readers meet a man who seems so wonderfully attractive and normal yet surely the most astonishing man who ever lived The author believes that when people examine and reflect upon the evidence with an open mind they will find God in the face of Jesus      **The Homiletic Monthly** ,1883      *The Book of Genesis* ,2015-11-18 Retrieves rich historical biblical insights for readers of Genesis today In this latest addition to the Bible in Medieval Tradition series Joy Schroeder provides substantial

excerpts none previously available in English from seven noteworthy medieval biblical interpreters who commented on Genesis between the ninth and fifteenth centuries Representing a chronological and geographical range of authors including Hildegard of Bingen Nicholas of Lyra and Denis the Carthusian these clear readable translations illustrate the rich diversity of medieval approaches to biblical interpretation The commentary covers the entire book of Genesis and includes an in depth introduction by Schroeder that locates each of the medieval authors within his or her context A Selection from the Writings of Dean Stanley Arthur Penrhyn Stanley,1894 **Splendor of the True** Frithjof Schuon,2013-05-01 A new anthology of the work of Frithjof Schuon that includes philosophical writings along with a selection of his poems artworks and unpublished writings from his personal papers **Preacher and Homiletic Monthly** ,1884 **The Book of Genesis** Joy A. Schroeder,2015 Joy Schroeder here provides substantial excerpts most previously unavailable in English from seven noteworthy medieval biblical interpreters who commented on Genesis between the ninth and the fifteenth centuries Representing a chronological and geographical range of authors these clear readable translations illustrate the rich diversity of medieval approaches to biblical interpretation This generous sampler of medieval writings is supplemented by an in depth introduction that locates each of the medieval authors within his or her context Covering the entire book of Genesis this commentary offers modern readers a splendid opportunity to encounter the creative and reverent approaches to Scripture practiced by medieval biblical scholars Jesus The Human Face of God Cyril Kuttianikkal,2019 Far from being merely an academic enterprise contextual theology is a journey of faith seeking understanding The practice or doing of theology is not confined to small class of scholars but it is engaged by anyone with an inquisitive mind into the realities of the world and the Word The articles in the present volume is an earnest search for making theological reflection relevant to Indian cultural and religious ethos Moreover they are written by those who are actively engaged in the making of contextual theological reflection relevant to Indian cultural and religious ethos Moreover they are written by those who are actively engaged in the making of contextual theological movement and programme concrete For those who search for making theology and theological education meaningful relevant and pertinent to the present day context these articles are a ready reference and a roadmap
