The French at War, 1934-1944 Nicholas Atkin, 2001 Covering the Occupation the Vichy regime the Resistance and collaboration Nick Atkin provides an introduction to the years 1934-1944 France's most contentious decade

Gender and French Identity after the Second World War, 1944-1954 Kelly Ricciardi Colvin, 2017-09-07 The enfranchisement of women in Charles de Gaulle's France in 1944 is considered a potent element in the nation's self crafted triumphant World War Two narrative the French conquered by the Germans valiantly resisted until they rescued themselves and built a new democracy honoring France's longstanding liberal traditions Kelly Ricciardi Colvin's Gender and French Identity after the Second World War 1944-1954 calls that potent element into question By analyzing a range of sources including women's magazines trials memoirs and spy novels this book explores the ways in which culture was used to limit the power of the female vote It exposes a wide network of constructed behavioral norms that supported a conservative vision of French identity Taken together they depicted men as virile Resisters for French democracy and history and women as solely domestic support Indeed Colvin shows that women's access to the vote emerged alongside an explosion of cultural messages that encouraged them to retreat into the home to find mates to have millions of beautiful babies in the words of de Gaulle and not to challenge patriarchy in any way This is a vital study

for understanding the nature of postwar France and women's history in 20th century Europe

Women in France Since 1789 Susan Foley, 2017-03-14 This compelling study traces the changes in women's lives in France from 1789 to the present Susan K Foley surveys the patterns of women's experiences in the socially segregated society of the early nineteenth century and then traces the evolution of their lifestyles to the turn of the twenty first century when many of the earlier social distinctions had disappeared Focusing on women's contested place within the political nation *Women in France since 1789* examines The on going strength of notions of sexual difference Recurrent debates over gender The anxiety created by women's perceived departure from ideals of womanhood Major controversies over matters such as reproductive rights significant cultural changes and women's often under estimated political roles By addressing and exploring these key issues Foley demonstrates women's efforts over two centuries to create a place in society on their own terms

The EU as global actor and its influence on the global gender regime Stefanie Kessler, 2009-02-16 Research Paper postgraduate from the year 2008 in the subject Politics Topic European Union grade B 1 7 University of Auckland language English abstract In the last years the European Union EU transformed the European gender regime towards gender equality thoroughly This dissertation deals with the question of the EU's external influence on transforming societies Is the external influence coherent with internal claims Trade is the EU's most important external policy area The EU is an economic giant based on the largest single market in the world Thus the EU has power in and through trade The EU makes increasingly the adaptation of normative standards a condition to access its market Does the EU integrate also standards on gender equality And does the EU transform gender regimes globally through trade What impacts does the EU have on gender regimes This dissertation examines gender impacts in the Sustainability Impact Assessments that show possible impacts of trade agreements between the EU and its partners The analysis shows that gender is secondary to economic growth and not directed towards gender equality As a consequence the EU does not use its power through trade and the coherence of internal and external efforts is questionable
