## Hidden Key To Harry Potter:

**The Hidden Key to Harry Potter** John Granger, 2002 The Hidden Key to Harry Potter is the first book to take Harry Potter seriously as literature Low read critics have panned the bestselling novels as the literary equivalent of fast food and as a gateway to the occult But no one has explained the worldwide popularity of Ms Rowling s fiction or read it as one would read Tolkien Hemingway or Shakespeare The Hidden Key takes the high road to understanding Harry Potter s success through an exploration of the series structure themes and symbolism The astonishing conclusion of this investigation is that Ms Rowling demonized by some Christian critics because of its magical setting of her books is ironically writing the most charming and challenging Christian fiction for children since Lewis Chronicles of Narnia Looking for God in Harry Potter

John Granger, 2004 Granger a devout Christian literature teacher and father of seven home schooled children gives parents and teachers a roadmap for using the Harry Potter books to teach children Christian truth *The Wisdom of Harry Potter* Edmund M. Kern, 2003 Edmund M Kern argues that the attraction of these stories to children comes not only from the fantastical elements embedded in the plots but also from their underlying moral messages Children genuinely desire to follow Harry as he confronts a host of challenges in an uncertain world because of his desire to do the right thing Harry s coherent yet flexible approach to dealing with evil reflects an updated form of Stoicism says Kern from publisher description
