## **Super Power Blues:**

**Super Power Blues** Dave Morello, 2004-05 Once when chaos and disorder were about to overthrow MetroCity When a darkness fell from the top of the steel towers down to the concrete street When a black fear gripped the citizenry choking them to the point of strangulation The Elite of MetroCity fearing a rebellion of the frightened populous drew on their wealth and power to create a savior The SuperPower an unstoppable being so far ahead in evolution he had no predator Until now

*Carbon Blues* Mike Mason, 2020-04-16 Climate change is the most serious crisis of our time As history is being written in fire in California and Greece in the warming waters of the Gulf of Mexico and in the melting ice of the Arctic and Antarctica Carbon Blues demystifies current debates on climate change discussing everything from carbon dioxide increases in the atmosphere caused by cars coal and oil to global warming and worsening natural disasters A detailed examination of the history of climate change and its present and future consequences Carbon Blues traces the essential economic importance of coal in the nineteenth century and oil in the twentieth emphasizing the role of the automobile and the internal combustion engine in the dereliction of our planet Exposing campaigns to mislead the public Mike Mason reveals that the fatal consequences of CO<sub>2</sub> and NO<sub>2</sub> have been widely known for decades but successfully discounted and manipulated by the carbon lobby led by Exxon BP figures such as the Koch brothers and democratically elected governments The book underlines the disturbing truth that despite current attempts to remediate climate change the harm already done melting polar ice and the warming and rising of the seas will be virtually irreversible As the fight against climate change comes to a head Carbon Blues searches for fruitful ways forward
