Quantum Leap Thinking James J Mapes, 2003-04-01 Positive change can happen in sudden and profound leaps Quantum Leap Thinking provides the foundation for breakthrough thinking that will trigger astonishing growth in your personal and professional life What if it was possible to break through fear and

make positive changes in your life in an instant by a simple shift in your mindset What if you could lower your anxiety in a matter of seconds by changing your perceptions How would your life change if you had unshakable motivation for whatever you chose to do Quantum Leap Thinking is the key to unlocking the door to new found potential and peak performance You ve certainly hit the nail on the head If I had read Quantum Leap Thinking at the age of 20 I could have saved many many mistakes and a helluva lot of wasted effort Clive Cussler bestselling author An extraordinary guide to thinking your way to the next level in your life within your career your relationships or your self Joan Lunden journalist and author Quantum Leap Thinking is an opportunity to get our energy out and target it in the direction of great productivity leaving us with a feeling of accomplishment Leon Tec M D author of The Fear of Success and Targets Developing Professional Behaviors Jack Kasar,E. Nelson Clark,2000 This timely book provides a focused approach for developing a challenging yet vital and necessary area for professional success in health care practitioners the development of professional behaviors It addresses the essential elements that are necessary to perform professionally in society such as dependability professional presentation initiative empathy and cooperation These behaviors are developed through the recognition of skills practice experience role mentorship and evaluative feedback The issues of professional behavior are directed specifically toward the health care professional Emphasizing the importance of these behaviors in students can only help to strengthen them for professional roles This book utilizes case vignettes structured learning activities and exercises and self reflection and evaluation techniques It helps to define what professionalism means and presents strategies to enhance its development Features Professional Development Assessment Case Vignettes Activities and Exercises Structured Activities for Professional Behaviors *Celebrating the Single Life* David Yount,2009-02-24 American society is no longer defined by marriage Today an increasing majority of American households are headed by single men and women Even those Americans who do marry spend at least half of their adult lives alone Living on one s own presents unique challenges depending on one s age health and circumstances So the script for successful single living calls for different strategies for young adults the recently divorced single parents and those widowed or experiencing single life in later adulthood Here Dr Yount considers each group s special needs and challenges and offers a guide for leading a productive rewarding and fulfilling single life Single living he contends requires some core abilities overcoming loneliness reaching out to others developing faith in oneself and self respect keeping up with daily activities and maintaining good health security and a sense of humor This book helps readers learn to celebrate their single status and to find contentment and peace while living on their own These days if you are unmarried and pining for romance you are in a small minority Until recently most Americans considered single life to be a temporary situation during which one would simply wait for a soul mate to come along Those who remained unwed were pitied as bachelors and spinsters No longer These days most single men and women find autonomy in negotiating their way through life by relying on their own resources with marriage remaining one option but not an imperative Even those who do

marry are getting married later and those who divorce or are widowed often choose to stay single With this trend toward singlehood increasing affirming the single life and making a success of it becomes all the more important Yount offers advice for creating a gratifying and happy single life at any stage and provides insight into those things that can contribute to a satisfying single lifestyle He pinpoints areas that often get ignored by singles and proposes solutions to some of the pitfalls that can lead to loneliness or unhappiness Leading a fulfilling single life is not only possible it can in fact be rewarding in itself and Yount shows readers how to lead productive and creative lives as modern singles *Psychology of Success* Denis Waitley,1996 This upbeat enlightening text provides students with simple effective strategies for self improvement It is based on the idea that building self esteem self confidence and self responsibility leads to increased retention and academic and professional success **How to be Your Own Booking Agent and Save Thousands of Dollars** Jeri Goldstein,1998
The Publishers Weekly ,1994 *Pinched* Susan Anne Ziebarth,1996 Treasure Hunt Pam Grout,1995 *Promoting Yourself* Marlene Caroselli,1995 **Business India** ,1994 *Library Journal* ,1993-07 *Interpersonal Skills for Leadership* Susan Fritz,2005 For courses in interpersonal skills communication leadership development or service learning in Business Studies departments This practical resource provides an introduction to interpersonal skills theories which are reinforced through experiential activities Coverage focuses on the development of the basic interpersonal skills necessary to command one s own life relate well to other people and to lead others in positive directions **Teen Spirit** Sylvester Braithwaite,1999-12 **The Cumulative Book Index** ,1995 A world list of books in the English language Forthcoming Books Rose Arny,1994-02 **USA Today Index** ,1994
