# The History Of Childhood

**Katherine Megan Johnson**

## **The History Of Childhood:**

**The History of Childhood** Lloyd deMause,1995-06 A survey of childhood that reveals startling views of life in Europe and America during the past 2000 years This book documents the lives of former children who were abused It places child abuse today into the context of what was routinely inflicted upon     **The History of Childhood** Lloyd deMause,1995-06-01 from the Foreword Possibly the heartless treatment of children from the practice of infanticide and abandonment through to the neglect the rigors of swaddling the purposeful starving the beatings the solitary confinement and so on was and is only one aspect of the basic aggressiveness and cruelty of human nature of the inbred disregard of the rights and feelings of others Children being physically unable to resist aggression were the victims of forces over which they had no control and they were abused in many imaginable and some almost unimaginable ways by way of expressing conscious or more commonly unconscious motives of their elders The present volume abounds in evidence of all kinds from all periods and peoples The story is monotonously painful but it is high time that it should be told and that it should be taken into account

**Growing Up** Peter N. Stearns,2005 Growing Up combines two flourishing historical fields the history of childhood and world history to address the question of how much of childhood is natural and how much is historically determined The first lecture gauges the impact of the development of agriculture civilization and religion upon the premodern experience of childhood The second lecture contrasts modern perspectives on childhood with more traditional ones before investigating how and why modern perspectives developed and spread These lectures clearly demonstrate that the transformation of childhood is both recent and sweeping Raymond Grew Professor Emeritus of History University of Michigan     *A History of Childhood* Colin Heywood,2013-05-02 In this lively and accessible book Colin Heywood explores the changing experiences and perceptions of childhood from the early Middle Ages to the beginning of the twentieth century Heywood examines the different ways in which people have thought about childhood as a stage of life the relationships of children with their families and peers and the experiences of young people at work in school and at the hands of various welfare institutions The aim is to place the history of children and childhood firmly in its social and cultural context without losing sight of the many individual experiences that have come down to us in diaries autobiographies and oral testimonies Heywood argues that there is a cruel paradox at the heart of childhood in the past On the one hand material conditions for children have generally improved in the West however belatedly and unevenly and they are now more valued than in the past On the other hand the business of preparing for adulthood has become more complicated in urban and industrial societies as the young face a bewildering array of choices and expectations *A History of Childhood* will be an essential introduction to the subject for students of history the social sciences and cultural studies     **The History of Childhood: A Very Short Introduction** James Marten,2018-08-02 While children are a relatively unchanging fact of life childhood is a constantly shifting concept Throughout the millennia the age at which a child becomes a youth and a youth becomes an adult has varied by gender class

religion ethnicity place and economic need As author James Marten explores in this Very Short Introduction so too have the realities of childhood each life shaped by factors such as education expectation and conflict or lack thereof Indeed ancient Roman children lived very differently than those born of today s Generation Z Experiences of childhood have been shaped in classrooms and on factory floors in family homes and orphanages and on battlefields and in front of television sets In addressing this diversity The History of Childhood A Very Short Introduction takes a global expansive view of the features of childhood that have shaped childhood throughout history and continue to shape it now From the rules of Confucian childrearing in twelfth century China to the struggles of children living as slaves in the Americas or as cotton mill workers in Industrial Age Britain Marten takes his inspiration from the idea that the lives of children reveal important and sometimes uncomfortable truths about civilization ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

### **The Routledge History of Childhood in the Western World** Paula S.

Fass,2013 The Routledge History of Childhood in the Western World provides an important overview of the main themes surrounding the history of childhood in the West from antiquity to the present day By broadly incorporating the research in the field of Childhood Studies the book explores the major advances that have taken place in the past few decades in this crucial field The volume is composed of three parts The first part explores childhood from the Ancient World through to the Middle Ages and Early Modern Europe The second part examines the fundamental aspects of childhood and the life of children in the West since 1600 The essays address issues such as family work law sexuality and consumption The chapters think beyond national and continental boundaries so that readers are informed about general trends in the West while still alert to differences in gender class race and time The final part focuses on aspects of children s experiences in the modern world This section explains how childhoods have developed in distinct contexts and among specific children by using the growing literature on modern childhoods in various locales and at particular historical moments Including essays on all the key topics and issues The Routledge History of Childhood in the Western World will define how the history of children and childhood can best be understood in the longue dur e and comparatively while still acknowledging the importance of and encouraging scholarship on specific groups periods places and life course divisions This important collection from a leading international group of scholars presents a comprehensive survey of the current state of the field It will be essential reading for all those interested in the history of childhood

### **A History of Childhood** Colin Heywood,2017-12-08

Colin Heywood s classic account of childhood from the early Middle Ages to the First World War combines a long run historical perspective with a broad geographical spread This new comprehensively updated edition incorporates the findings of the most recent research and in particular revises and expands the sections on theoretical developments in the new social studies of

childhood on medieval conceptions of the child on parenting and on children s literature Rather than merely narrating their experiences from the perspectives of adults Heywood incorporates children s testimonies looking up as well as down Paying careful attention to elements of continuity as well as change he tells a story of astonishing material improvement for the lives of children in advanced societies while showing how the business of preparing for adulthood became more and more complicated and fraught with emotional difficulties Rich with evocative details of everyday life and providing the most concise and readable synthesis of the literature available Heywood s book will be indispensable to all those interested in the study of childhood

**The Global History of Childhood Reader** Heidi Morrison,2013-03-05 The Global History of Childhood Reader provides an essential collection of chapters and articles on the global history of childhood The Reader is structured thematically so as to provide both a representative sampling of the historiography as well as an overview of the key issues of the field such as childhood as a social construct commonalities and differences globally and why the twentieth century was not the century of the child for most of the world s children The Reader is divided into four parts Theories and methodologies of the history of childhood Constructions of childhood in different times and places Children s experiences in different times and places Usage of the past to articulate solutions to problems facing children today Topics covered include theories and methodologies in the global history of childhood sources for writing a global history of childhood education gender disability race class and religion the individual in history and emotions violence labour and illiteracy With introductions that contextualize each of the four parts and the articles further reading sections and questions this is the perfect guide for all students of the history of childhood

**Childhood in History** Reidar Aasgaard,Cornelia Horn,2017-07-20 Inquiring into

childhood is one of the most appropriate ways to address the perennial and essential question of what it is that makes human beings each of us human In Childhood in History Perceptions of Children in the Ancient and Medieval Worlds Aasgaard Horn and Cojocaru bring together the groundbreaking work of nineteen leading scholars in order to advance interdisciplinary historical research into ideas about children and childhood in the premodern history of European civilization The volume gathers rich insights from fields as varied as pedagogy and medicine and literature and history Drawing on a range of sources in genres that extend from philosophical theological and educational treatises to law art and poetry from hagiography and autobiography to school lessons and sagas these studies aim to bring together these diverse fields and source materials and to allow the development of new conversations This book will have fulfilled its unifying and explicit goal if it provides an impetus to further research in social and intellectual history and if it prompts both researchers and the interested wider public to ask new questions about the experiences of children and to listen to their voices

**A History of**

**Childhood** Colin Heywood,2001-12-21 In this lively and accessible book Colin Heywood explores the changing experiences and perceptions of childhood from the early Middle Ages to the beginning of the twentieth century Heywood examines the different ways in which people have thought about childhood as a stage of life the relationships of children with their families and peers and the experiences of young people at work in school and at the hands of various welfare institutions The aim is to place the history of children and childhood firmly in its social and cultural context without losing sight of the many individual experiences that have come down to us in diaries autobiographies and oral testimonies Heywood argues that there is a cruel paradox at the heart of childhood in the past On the one hand material conditions for children have generally improved in the West however belatedly and unevenly and they are now more valued than in the past On the other hand the business of preparing for adulthood has become more complicated in urban and industrial societies as the young face a bewildering array of choices and expectations A History of Childhood will be an essential introduction to the subject for students of history the social sciences and cultural studies

**Children and Childhood in Western Society Since 1500**

Hugh Cunningham,2014-07-10 This book investigates the relationship between ideas about childhood and the actual

experience of being a child and assesses how it has changed over the span of five hundred years Hugh Cunningham tells an engaging story of the development of ideas about childhood from the Renaissance to the present taking in Locke Rousseau Wordsworth and Freud revealing considerable differences in the way western societies have understood and valued childhood over time His survey of parent child relationships uncovers evidence of parental love care and in the frequent cases of child death grief throughout the period concluding that there was as much continuity as change in the actual relations of children and adults across these five centuries For undergraduate courses in History of the Family European Social History History of Children and Gender History

### **A Cultural History of Childhood and Family in Antiquity**

Mary Harlow, Ray Laurence, Elizabeth A. Foyster, Louise J. Wilkinson, James Alan Marten, Sandra Cavallo, Silvia Evangelisti, Colin Heywood, Joseph M. Hawes, N. Ray Hiner, 2010 Examines how childhood and the family was constructed experienced understood and represented over time and across different cultures Growing out of the field of gender history the history of childhood and family has developed into a sub specialty of its own rights with list servs international organisations and journals The time is ripe to create a reference set that will put this research into context

### **Children**

Through the Ages Barbara Kaye Greenleaf, 1978 A history of childhood from earliest times to today focusing on infancy the middle years and adolescence and discussing toys games food diseases discipline clothing health care and education

**Childhood in World History** Peter N Stearns, Professor of History and Provost Peter N Stearns, 2010-11 Praise for the first edition Those seeking a primer on the field might well begin here H Childhood H Net Reviews a succinct and deft survey Undoubtedly this book will be a godsend to teachers In the assured hands of Stearns with his readily accessible style readers will come away much better informed Social History of Medicine Stearns's treatment is characteristically learned conceptually sleek and sensitive to societal and temporal variation Journal of Social History an engaging well written and thoughtful resource for readers who seek a solid understanding of the subject History of Education Quarterly Childhood exists in all societies though there is huge variation in the way it is socially constructed across time and place Studying childhood historically greatly advances our understanding of what childhood is about and a world history focus permits some of the broadest questions to be asked This new edition of Childhood in World History has been completely updated including An expanded discussion of the theory and methodology involved in a global history of childhood Expanded coverage of childhood in Africa and South Asia Extra material on religious change including more discussion of Judaism and Islam New material on the role of the state A brand new comparative chapter on happiness and childhood Now fully up to date this second edition of Childhood in World History highlights the gains but also the divisions and losses for children across the millennia

### **The Presentation of the History of Childhood in Living History Museums** Katherine Megan Johnson, 2003

**Child Labour Opponents and Their Campaigns in the Americas** Nina Schneider, 2025-11-03 This book delves into the past and examines the origins of activism against child labour It addresses a hitherto under examined question how and

why did child labour develop into a key concern between the 1880s and 1930s Who were the protagonists who first raised the issue of child labour as a global concern The study aims to provide the first account of the history of diverse and locally grounded but nationally and frequently globally connected child labour opponents in the Americas their motivations and campaigns at the turn of the 20th century I argue that for the period between 1888 and 1938 one can identify similar protagonists a joint goal a broadly similar timing common platforms comparable campaigning mechanisms and many types of connections or entanglements across regions Nevertheless in contrast to the global anti slavery movement child labour opponents formed a loosely institutionalised network which lacked an international organisation that focused specifically on child labour A global history approach to child labour opponents helps reveal large scale patterns across societies and highlight similarities and differences between cases

**A Cultural History of Childhood and Family** Mary Harlow, Ray

Laurence, Louise J. Wilkinson, Sandra Cavallo, Silvia Evangelisti, Elizabeth A. Foyster, James Alan Marten, Colin Heywood, Joseph M. Hawes, N. Ray Hiner, 2010 Examines how childhood and the family was constructed experienced understood and represented over time and across different cultures Growing out of the field of gender history the history of childhood and family has developed into a sub specialty of its own rights with list servs international organisations and journals The time is ripe to create a reference set that will put this research into context

**Children's Voices from the Past**

Kristine Moruzi, Nell Musgrave, Carla Pascoe Leahy, 2019-04-23 This book explores a central methodological issue at the heart of studies of the histories of children and childhood It questions how we understand the perspectives of children in the past and not just those of the adults who often defined and constrained the parameters of youthful lives Drawing on a range of different sources including institutional records interviews artwork diaries letters memoirs and objects this interdisciplinary volume uncovers the voices of historical children and discusses the challenges of situating these voices and interpreting juvenile agency and desire Divided into four sections the book considers children's voices in different types of historical records examining children's letters and correspondence as well as multimedia texts such as film advertising and art along with oral histories and institutional archives

**Childhood in Modern Europe** Colin Heywood, 2018-09-06

This invaluable introduction to the history of childhood in both Western and Eastern Europe between c 1700 and 2000 seeks to give a voice to children as well as adults wherever possible The work is divided into three parts covering in turn childhood in rural village societies during the eighteenth and nineteenth centuries in the towns during the Industrial Revolution period c 1750-1870 and in society generally during the late nineteenth and twentieth centuries Each part has a succinct introduction to a number of key topics such as conceptions of childhood infant and child mortality the material conditions of children their cultural life the welfare facilities available to them from charities and the state and the balance of work and schooling Combining a chronological with a thematic approach this book will be of particular interest to students and academics in a number of disciplines including history sociology anthropology geography literature and education

## **The History Of Childhood Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories.

Another reliable platform for downloading The History Of Childhood free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading The History Of Childhood free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading The History Of Childhood free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading The History Of Childhood. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research

papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading The History Of Childhood any PDF files. With these platforms, the world of PDF downloads is just a click away.

## FAQs About The History Of Childhood Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
