Ettington,2022-08-11 The history of the Druids has always fascinated me My first interest was reading as a child about Merlin the Magician who was also a Druid Then I learned they were the ancient priests of the Celts and had a deep history in the British Isles My family is also from Scotland and Northern Ireland so it makes me wonder if I have some Druidic ancestry too Recently I wrote a book about the Mythical people of Ireland and it also included materials about the Tuatha Da Dannan who in many mythical histories were also forerunners of the Druids Druids were also well known for their mystical prophecy and healing abilities Being a student of the Paranormal and Spiritual this also holds a serious interest for me In this book we will go through my research on Druid history festivals rituals herbs alphabets magic and much more Some Druidic rituals and exercises are also included In fact Druidism seems to be the source of many modern approaches to witchcraft and magic **Hours with the Mystics** Robert Alfred Vaughan,1856 **Mysticism in the Theater** Tom Block,2022-02-03 Mysticism in the Theater introduces theater makers to the power and possibility of using historical mystical ideas to influence all aspects of a production Historical mysticism represents ideas developed by recognized spiritual thinkers in all religions and time periods individuals who stilled their ego and perceived the unity of all hidden within the apparent multiplicity of existence This unique manner of spiritual inlay allows theatrical presentations to find the height of artistic expression art at the intersection of our historical moment and the eternal This study introduces theater makers to the history of mystical inspiration within performance work and develops strategies for inserting mystical ideas into their productions The book ties this model into theatre s history as mystical ideas and quotes have been inserted into productions from Greek theatre through Shakespeare and into the present day This book explores how teachings and ideas of specific historical mystical thinkers might influence all aspects of contemporary theatrical productions including writing directing acting stagecraft set design lighting design costume design sound design and choreography *An Introduction to the History of Mysticism* Margaret Smith,1973 **Hours with the Mystics** Robert Alfred Vaughan,1884
