Ending June 30, 1896 ,1898 *The land of the Hittites* John Garstang,2023-07-09 In *The Land of the Hittites* John Garstang presents a comprehensive exploration of the Hittite civilization drawing from archaeological findings and ancient texts to illuminate this once misunderstood society of the ancient Near East. Garstang's scholarly yet accessible prose delves into various aspects of Hittite life including politics, religion, and daily customs, framed within the broader context of Near Eastern history. His meticulous attention to detail and methodical approach provide a vivid reconstruction of Hittite society, making significant contributions to the understanding of their influence on neighboring cultures especially during the second millennium BCE. John Garstang, a prominent British archaeologist and historian, became deeply acquainted with Hittite studies through extensive fieldwork in Turkey and a passion for ancient civilizations. His background in archaeology, along with his knowledge of the region's languages and histories, uniquely equipped him to piece together the fragmented evidence left by the Hittites and offer new insights into their societal frameworks. Garstang's expertise and dedication to empirical research have firmly placed him in the annals of archaeological scholarship. This book is highly recommended for scholars, students, and anyone interested in ancient history.
