The Fixers E.J. Fleming,2015-01-28 Eddie Mannix and Howard Strickling are virtually unknown outside of Hollywood and little remembered even there but as General Manager and Head of Publicity for Metro Goldwyn Mayer Studios they lorded over all the stars in Hollywood s golden age from the 1920s through the 1940s including legends like Garbo Dietrich Gable and Garland When MGM stars found themselves in trouble it was Eddie and Howard who took care of them solved their problems hid their crimes and kept their secrets They were the Fixers At a time when image meant everything and the stars were worth millions to the studios that owned them Mannix and Strickling were the most important men at MGM Through a complex web of contacts in every arena from reporters and doctors to corrupt police and district attorneys they covered up some of the most notorious crimes and scandals in Hollywood history keeping stars out of jail and more importantly their names out of the papers They handled problems as diverse as the murder of Paul Bern husband of MGM s biggest star Jean Harlow the studio directed drug addictions of Judy Garland the murder of Ted Healy creator of The Three Stooges at the hands of Wallace Beery and arranging for an unmarried Loretta Young to adopt her own child a child fathered by a married Clark Gable Through exhaustive research and interviews with contemporaries this is the never before told story of Eddie Mannix and Howard Strickling The dual biography describes how a mob related New Jersey laborer and the quiet son of a grocer became the most powerful men at the biggest studio in the world **Richard Burton** Michael

Munn,2014-03-20 After reading this affectionately candid biography it is hard not to echo Olivier s response on hearing of Burton s death He was so young so young Daily Mail A man of contradictions Richard Burton s life and remarkable career are revealed by a writer who knew him from 1968 up to Burton s last film Recounting Burton s deepest and often darkest thoughts and secrets as well as hell raising stories quashed by the Hollywood system such as affairs with Monroe and Lana Turner being caught in a brothel with Errol Flynn and a fist fight with Frank Sinatra Munn offers a stunning portrait of a great man From nursing Burton through an epileptic seizure to witnessing Burton s part in East End gang violence this is an intimate and deeply moving biography Writer actor director and former journalist and Hollywood publicist Michael Munn has written twenty one books including the best selling John Wayne The Man Behind the Myth and the acclaimed Jimmy Stewart The Truth Behind the Legend *The New Encyclopedia of American Scandal* George C. Kohn,2001 Covering people and events from the 1630s to the present day this reference offers 455 entries on such topics as dirty politics white collar scams botched cover ups tawdry love affairs and despicable acts of corruption *The Sixties* Paul Monaco,2003-06 This book covers the 1960 s as part of the definitive history of American cinema from its emergence in the 1800s to the present day

Contemporary Hollywood Masculinities Susanne Kord,Elisabeth Krimmer,2013-12-04 Kord and Krimmer investigate the most common male types cops killers fathers cowboys superheroes spies soldiers rogues lovers and losers by tracing changing concepts of masculinity in popular Hollywood blockbusters from 1992 to 2008 the Clinton and Bush eras against a backdrop of contemporary political events social developments and popular American myths Their in depth analysis of over sixty films from The Matrix and Iron Man to Pirates of the Caribbean and The Lord of the Rings shows that movies far from being mere entertainment respond directly to today s social and political realities from consumerism to family values to the War on Terror *The Film Anthologies Index* Stephen E. Bowles,1994-10 The Film Anthologies Index is a bibliographical resource essential to any person or institution interested in the study of film No publication or database currently indexes the contents of these important anthologies There are over 600 anthologies by both multiple and single authors in English that have been published through 1991 These anthologies contain over 10 000 stand alone pieces that 1 reprint articles from their original source 2 select excerpts from book length publications and 3 include original essays appearing only in a specialized anthology Without The Film Anthologies Index the researcher would have no guide to the valuable contents between the covers of these anthologies Much more than just a guide to the contents of anthologies the main section consists of 6 563 numbered entries that alphabetically list by author the contents of each piece found in the anthologies You could find for example all pieces written by a particular author which have appeared in the anthologies Additionally every author entry refers the user to all the anthologized sources which contain each specific piece For example Robert Warshow s landmark essay on Movie Chronicle The Westerner can be found in 9 different anthologies or that selected essays by Sergei Einstein appear in over 50 separate anthologies Without The Film Anthologies Index there would be no way to systematically locate

these buried treasures The final section of The Film Anthologies Index consists of an extensive listing of all film titles individual names specific genres countries periods studios etc as well as all key words and phrases that appear in the titles of the included pieces There are approximately 7000 topics covered in this section The user friendly layout of this reference source makes it both a comprehensive resource for everyone from the casual movie goer who wants a deeper understanding of the medium to the dedicated film scholar who is pursuing material on Silent Film Performers Roy Liebman,1996 Provides biographical and career data for each listed performer an overview of published books and articles about or written by the performer and a list of archival materials including photographs and stills letters and scrapbooks Hollywood Rogues Michael Munn,1992 **The Sharon Stone Story** Michael Munn,1997 Sharon Stone came from nowhere to become an overnight star in the steamy thriller Basic Instinct Now one of Hollywood s biggest female stars she recently received a Golden Globe and an Oscar nomination for her role In Casino The Sharon Stone Story traces her life from her childhood as a plain country girl and self confessed nerdy ugly duckling with an exceptionally high IQ through her years as a teenage beauty queen and then as an international fashion model before making her screen debut in 1981 Then with determined doggedness Sharon Stone set out to become a star trying to shake off the blonde bimbo image she had been saddled with and finally establishing herself as one of America s foremost actresses and a producer in her own right Michael Munn portrays a woman who has fought against the conventions and chauvinistic attitudes of the men who run Hollywood and has not been afraid to speak out In the process He relates her on set battles with leading man William Baldwin during the filming of Silver and the scandalous affair with producer Bill MacDonald that led to the press branding her as a homewrecker He examines the tragedies she overcame in her youth the crippling injury she sustained that helped change her life the secret work she does for charity and her relationships with her leading men including Michael Douglas Arnold Schwarzenegger Rock Hudson and Robert De Niro Michael Munn has interviewed Sharon Stone and many people who have worked with her including Michael Douglas Martin Scorsese and Richard Chamberlain to build an insightful portrait of this remarkable and courageous woman
