**Rescued (Holt Agency Book 1)** Becca Jameson, 2022-11-22 The Holt Agency is a spinoff from Becca Jameson's and KaLyn Cooper's Shadow SEALs books. The group of rescued SEALs have opened their own agency. Colette, a PhD student studying abroad, is tired of the constant barrage of bodyguards her father has assigned to her for most of her life. As a politician, his notoriety has always put her at risk. When Colette finds out she's pregnant, she'll do anything to keep her baby a secret even from her father. Tavis is a former Navy SEAL. He's not a babysitter. But when the Secretary of State hires you to guard his daughter, no is not an acceptable answer. Starting a relationship with the woman he's supposed to protect would get him fired. It would also leave her vulnerable. Falling for each other was never the plan. Tavis's protective instinct has him questioning the course of his life. Colette has a lot of decisions to make, none of them easy. The challenges could either tear them apart or bring them closer together. And when Colette's life is threatened, Tavis must not only protect her but their chance at a future together.

**Unchained (Holt Agency Book 2)** KaLyn Cooper, 2023-01-24 After being rescued from the Ethiopian rebels' prisoner of war camp, Keene Soto returned to the United States a broken man. His torture had been of an especially personal nature. He believed himself to be only half a man, and that half hadn't worked since his return to the USA. He was too damaged for any female, so he given up hope of finding love. Until she touched him. Kelly Edson had moved to the Holt farm with her son Jock when her stepbrother and his best friend opened the Holt Agency. She'd hoped living on the farm in the middle of nowhere Indiana would change her luck. She'd been a loser magnet. Almost every man she'd ever dated was a failure at life, pulling Kelly and her son down with him. Working two jobs and studying for her next nursing certification while raising a son, she hadn't dated a loser in over two years. Because she hadn't been on a date. She was surrounded by hot single men who all worked for her brother and considered her a little sister. Except Keene. She looked forward to their nightly conversations on the porch swing. When Kelly and Keene discover she's the only one who can help him recover from his POW physical and emotional damage, will her brother keep them apart? When Kelly disappears, will the truth keep Keene from helping them find her?

claims that sensitive topics including sexuality suicide and drug use do not automatically imply the glorification of deviant behavior but can be used constructively to educate students about the reality of life Bobbitt argues that in an effort to shield children from the dangers of controversial issues parents and administrators are depriving them of the ability to discover and debate values that are inconsistent with their own and those around them teaching instead that avoidance of different viewpoints is the solution Scholars of education communication literature and policy will find this book especially useful
