**The Holy Piby** Robert Athlyi Rogers,Marcus Garvey,Afro Athlican Constructive Church,1924 Rastafarians Girma Yohannes Iyassu Menelik,2009 Document from the year 2009 in the subject History America University of Bremen language English abstract The emergence and expansion of Rastafarianism has been a subject for some scholarly study in the Caribbean The movement has flourished in due process as an outlet to a huge social and psychological confusions and decades long conflicts inside the movement and society of the islands To many sociologists it is the inevitable consequence of Africans in Diaspora people seeking to define their own identity and psychological needs It is a movement created not by a revolution but out of confusions and in search of their roots with a Black God on the top Rastafarianism presents a mixture of politics and theology that has emerged out of its formative years as they call it in the Babylon In creating their own religion the Rastafarians depend not only on the historical social or empirical experience of African descendants in the Diaspora but also for their own analysis to determine an active plan for liberation Regardless of other social norms they draw on the transcendental sources of human sensibility theocracy and imagination For as persons who see themselves to be persecuted wronged and deprived to be all but trapped in a situation of persistent material poverty including cultural degradation the only way they see to get out of this situation Babylon is through an apocalypse From the early Christian history we know that small groups who have worshipped false gods or established their own Temples never succeeded and their religions have corroded including their followers However it seems different with the Rastafarians because their movement is growing stronger speeding in almost all the continents This book is in part a revised version of both books Babylon Muss Fallen Germany 1989 and The Rastafarians In search of Their Identity Puerto Rico 1985 and in part a contribution of Rastafarian elders women activists and musicians
