## **The Hope Fulfilled The Rise Of Modern Israel:**

**The Hope Fulfilled** Leslie Stein, 2003-03-30 Blending an analysis of general political diplomatic and military trends with a description of how Zionist pioneers coped with ongoing social developments and challenges Stein recounts the events that would ultimately lead to the formation of the State of Israel in May 1948 The study begins with the wave of Russian pogroms that erupted in 1882 and stimulated an interest in Jewish migration to Palestine Stein proceeds to the experiences of the first batch of settlers as they established farms fostered the rejuvenation of Hebrew and coped with the local Arab population He examines how Theodore Herzl's worldwide modern Zionist movement gathered momentum and led to a further increase in Jewish settlement in Palestine This book covers key events such as the pioneering efforts to establish collective farms the inauguration of Jewish defense organizations the Balfour Declaration and the formation of the British Mandate Stein focuses on the gradual but persistent consolidation of the Jewish community as a self contained body looking closely at important institutions such as the Trade Union Federation as well as the development of political parties Later chapters chronicle the growing strife with the Arab population and the disintegration of the British Mandate which would eventually culminate in the declaration of a Jewish state

**The Origins of Israel, 1882-1948** Eran Kaplan, Derek J. Penslar, 2011-12-01 In 1880 the Jewish community in Palestine encompassed some 20 000 Orthodox Jews within sixty five years it was transformed into a secular proto state with well developed political military and economic institutions a vigorous Hebrew language culture and some 600 000 inhabitants The Origins of Israel 1882 1948 A Documentary History chronicles the making of modern Israel before statehood providing in English the texts of original sources many translated from Hebrew and other languages accompanied by extensive introductions and commentaries from the volume editors This sourcebook assembles a diverse array of 62 documents many of them unabridged to convey the ferment dissent energy and anxiety that permeated the Zionist project from its inception to the creation of the modern nation of Israel Focusing primarily on social economic and cultural history rather than Zionist thought and diplomacy the texts are organized in themed chapters They present the views of Zionists from many political and religious camps factory workers farm women militants intellectuals promoting the Hebrew language and arts as well as views of ultra Orthodox anti Zionists The volume includes important unabridged documents from the origins of the Arab Israeli conflict that are often cited but are rarely read in full The editors Eran Kaplan and Derek J Penslar provide both primary texts and informative notes and commentary giving readers the opportunity to encounter voices from history and make judgments for themselves about matters of world historical significance Best Special Interest Books selected by the Public Library Reviewers Best Books for General Audiences selected by the American Association of School Librarians

*What is Modern Israel?* Yakov M. Rabkin, 2016-05-20 Few countries provoke as much passion and controversy as Israel What is Modern Israel convincingly demonstrates that its founding ideology Zionism is anything but a simple reaction to antisemitism Dispelling the notion that every Jew is a Zionist and therefore a natural

advocate for the state of Israel Yakov Rabkin points to the Protestant roots of Zionism in order to explain the particular support Israel musters in the United States Drawing on many overlooked pages of history including English French Hebrew Yiddish and Russian sources Yakov Rabkin shows that Zionism was conceived as a sharp break with Judaism and Jewish continuity Israel's past and present must be seen in the context of European ethnic nationalism colonial expansion and geopolitical interests rather than as an incarnation of Biblical prophecies or a culmination of Jewish history Israel in History Derek Penslar,2007-01-24 This collection of essays provide a comparative historical analysis of Israel's history In particular they tackle the often contentious issues of the nature of Zionism whether Israel is a colonial state historiography and antisemitism as well social and cultural developments Contesting the Monolith Priya Singh,2025-10-24 The book challenges the notion that Israel is a homogeneous state whether in theory or in practice It offers a detailed and critical intersectional analysis of nationalism ethnicity gender and marginality in Israeli society revealing how these forces converge to produce multiple as well as fused identities within a complex social fabric Examining the ruptures and fault lines that shape a multi layered society the study contends that Israel's exceptionality lies not in its self proclaimed Jewish and democratic character but in its resort to exceptional legal and coercive measures to mask internal diversity By obscuring this heterogeneous reality the state cultivates an illusion of a monolithic and uniform Israeli identity The analysis presents a society far more fragmented and stratified than official narratives suggest offering readers an understanding of how intersecting structures of identity and power operate in the Israeli context and how social and political institutions respond to and regulate internal difference This book will be of interest to academic researchers postgraduate and doctoral students and policymakers engaged with questions of nationalism marginality identity and Middle Eastern politics particularly within the disciplines of political science sociology Middle Eastern studies and gender studies **Great Events in Religion** Florin Curta,Andrew Holt,2016-11-28 This three volume set presents fundamental information about the most important events in world religious history as well as substantive discussions of their significance and impact This work offers readers a broad and thorough look at the greatest events in world religious history covering a wide range of religions time periods and areas around the globe The entries present authoritative information and informed viewpoints written by expert contributors that enable readers to easily learn about the chief events in religious history help them to better understand the course of world history and promote a greater respect for culturally diverse religious traditions The first of the three volumes covers religion from the preliterate world through around AD 600 the second the post classical era from 600 to 1450 and the third the modern era from 1450 to the present Each volume begins with a substantive introduction that discusses the history of world religions during the period covered by the volume The chronologically ordered entries overview each event place it in historical context and identify the reasons for its enduring significance *Journal of International Affairs* ,2004 **Journal of Palestine Studies** ,2005 **Politics of the Middle East** Michael G. Israeli Identity in Transition Anita Shapira, 2004-10-30 The last 15 years have witnessed deep changes in Israeli society The naive solidarity of the early years of statehood has given way to more sophisticated approaches and the atmosphere of the 1990s was conducive towards critique and open discussion It was the age of the Oslo Accords of the large wave of immigrants from the Former Soviet Union economic growth and prosperity and a concurrent feeling of security and well being Israel was fast becoming a postcapitalist society a junior member of the global village This newly acquired self assurance led to openness towards unorthodox views on basic questions of Israeli identity The new mood found expression in the cultural climate and in the public debates The Zionist narrative in relation to the Palestinians the early troubled absorption of immigrants from Islamic countries the discrimination against the Arab Israeli minority the delay in the 1950s in incorporating the memory of the Holocaust into collective memory the Zionist attitude towards the Jewish Diaspora all these were issues on the cultural and intellectual agenda subjects of heated controversies This book attempts to come to grips with these themes The complex texture of Israeli society is drawn here by a number of hands presenting up to date approaches as viewed by experts
