**The House of Hancock** William Threipland Baxter,1965      *The House of Hancock* William T. Baxter,1945-02-05

**American Smuggling as White Collar Crime** Lawrence Karson,2020-09-29 When Edwin Sutherland introduced the concept of white collar crime he referred to the respectable businessmen of his day who had in the course of their occupations violated the law whenever it was advantageous to do so Yet since the founding of the American Republic numerous otherwise respectable individuals had been involved in white collar criminality Using organized smuggling as an exemplar this narrative history of American smuggling establishes that white collar crime has always been an integral part of American history when conditions were favorable to violating the law This dark side of the American Dream originally exposed itself in colonial times with elite merchants of communities such as Boston trafficking contraband into the colonies It again came to the forefront during the Embargo of 1809 and continued through the War of 1812 the Civil War nineteenth century filibustering the Mexican Revolution and Prohibition The author also shows that the years of illegal opium trade with China by American merchants served as precursor to the later smuggling of opium into the United States The author confirms that each period of smuggling was a link in the continuing chain of white collar crime in the 150 years prior to Sutherland s assertion of corporate criminality

**Faith and the Founders of the American Republic** Daniel L. Dreisbach,Mark David Hall,2014-03-18 The role of religion in the founding of America has long been a hotly debated question Some historians have regarded the views of a few famous founders such as Benjamin Franklin Thomas Jefferson James Madison and Thomas Paine as evidence that the founders were deists who advocated the strict separation of church and state Popular Christian polemicists on the other hand have attempted to show that virtually all of the founders were pious Christians in favor of public support for religion As the essays in this volume demonstrate a diverse array of religious traditions informed the political culture of the American founding Faith and the Founders of the American Republic includes studies both of minority faiths such as Islam and Judaism and of major traditions like Calvinism It also includes nuanced analysis of specific founders Quaker fellow traveler John Dickinson prominent Baptists Isaac Backus and John Leland and Theistic Rationalist Gouverneur Morris among others with attention to their personal histories faiths constitutional philosophies and views on the relationship between religion and the state This volume will be a crucial resource for anyone interested in the place of faith in the founding of the American constitutional republic from political religious historical and legal perspectives

**John Singleton Copley in America** Carrie Rebora Barratt,1995 A lavish illustrated volume published to accompany an exhibition of Copley s work that will be traveling to several cities during 1996 The focus is on the paintings miniatures and pastels that Copley the supreme portraitist of the colonial era produced before he moved to London in 1774 Four principal essays place the work in historical and social context and bring new critical methods to bear upon the study of portraits and portraiture four shorter essays treat various aspects of Copley s art and techniques Catalog entries detail the
