The Houses of Healing Training Manual Robin Casarjian,2000      Gathering of Native Americans (GONA) Facilitator Guide ,1999      **A Woman's Guide to Spiritual Warfare** Quin Sherrer,Ruthanne Garlock,2017-02-14 Groundbreaking Spiritual Warfare Book for Women Now Revised and Updated Women everywhere face battles that threaten to overwhelm them A friend s depression A child s destructive choices A neighbor s broken marriage A husband s failed business A bad medical report But you don t have to watch hopelessly from the sidelines This is a crucial time for praying women to take their stand In this newly revised and updated edition you ll discover sound biblical guidelines inspiring stories and practical steps to help you see victory on the battlefield As you understand your authority in the risen Christ you will learn how to overcome forces of evil help loved ones break cycles of bondage and make your home a place of refuge from spiritual attack all through the power of prayer Here is the field guide for every wife mother sister daughter and friend ready to fight for all she holds dear      **Subject Guide to Books in Print** ,2001      **Reiki: Universal Gift of God's Healing Love Level I and II Training Manual** Eileen Curteis,2011 After seventeen years as a practitioner and teacher of Reiki Sister Eileen has been astonished by the sheer number of people who have continued to stream through the door People of all ages and traditions have come seeking their healing and finding it as Eileen did when she first embarked on this foreign road that soon became home to her Eileen has come to recognize through her many years of practice that there is an inherent healing power within each of us and that the gift of Reiki is able to activate it In her training manual Eileen brings with her a core community of Reiki practitioners from different traditions and backgrounds that journey alongside her and recognize as she does the simplicity wonder and beauty of God s universal gift for our time The healing stories are too numerous to count but she does include specific testimonials within her training manual that speak for the thousands of others who have been healed through the doorway of Reiki In this way Eileen s Level I and II training manual becomes a living testimony as she thoroughly covers all the information required to be a successful and competent Reiki practitioner Written with inspiration and clarity Eileen takes the reader on an amazing journey into the dynamic world of the inner self Like a fresh current of air she presents her material in an appealing and easily digestible manner The uniqueness of Eileen s Reiki training manual lies in her ability to weave the Christ conscious healing dimension into it just as an alchemist would when producing gold In this way Eileen shows how the revered eastern practice of Reiki discovered by Dr Mikao Usui a Japanese Buddhist in the early 20th century can blend perfectly with a Christian heritage of healing where the one enhances the other At the same time she shows how this simple profound method of healing transcends cultural and religious boundaries in a way that makes this universal gift of Life Force Energy accessible to anyone Often people who encounter Reiki for the first time experience an inner bliss and harmony which leads them to explore the gift more fully Others go away from the treatment or training feeling restored refreshed and renewed Reiki the universal Life Force Energy of God is not a new invention or modern day fad Its roots are
