A History of American Foreign Policy Alexander DeConde,1978 **Crucible of Power** Howard Jones,2001 This volume relies on the natural chronology of historical events to organize and narrate the story as the nation's leaders saw it. Using this narrative approach the tangled and often confusing nature of foreign affairs is uncovered without the illusion that in the past American foreign relations took place in a well ordered fashion. From this history students will understand the plight of present day policymakers who encounter an array of problems that are rarely susceptible to simple analysis and ready solution [Explaining the History of American Foreign Relations](#) Michael J.
