## **The History Of Corporal Punishment:**

**The History of Corporal Punishment** George Ryley Scott,1938      **The History of Corporal Punishment** George Ryley Scott,1996      History Of Corporal Punishment George Ryley Scott,2013-12-19 First published in 2005 This is a wide ranging study of flagellation in all its aspects disciplinary religious educational and erotic It presents a mass of detailed information on the various forms of flogging administered through the ages to thieves prostitutes soldiers sailors heretics penitents slaves servants schoolboys and schoolgirls Scott s aim was to present the complete story of flagellation and its attendant mixture of cruelty eroticism superstition voluptuousness and persecution All the historical sociological psychological and anthropological aspects of the practice are examined in order to understand the full significance of flagellation as a social phenomenon The physical psychological and pathological effects of corporal punishment including the effects of flagellation on sexual health are also analysed The book is divided into four parts the psychology of flagellation penal flagellation religious flagellation and the case for and against corporal punishment with illustrations and a useful bibliography Written in 1938 this remains an authoritative work on the subject      **The History of Corporal Punishment** George Ryley Scott,1954      *The history of corporal punishment* ,1952      Campaigns Against Corporal Punishment Myra C. Glenn,1984-01-01 Campaigns against Corporal Punishment explores the theory and practice of punishment in Antebellum America from a broad comparative perspective It probes the concerns underlying the naval prison domestic and educational reform campaigns which occurred in New England and New York from the late 1820s to the late 1850s Focusing on the common forms of physical punishment inflicted on seamen prisoners women and children the book reveals the effect of these campaigns on actual disciplinary practices Myra C Glenn also places the crusade against corporal punishment in the context of various other contemporary reform movements such as the crusade against intemperance and that against slavery She shows how regional and political differences affected discussions of punishment and discipline      *The History of Corporal Punishment, Etc* George Ryley SCOTT,1948      The History of Corporal Punishment - A Survey of Flagellation in Its Historical Anthropological and Sociological Aspects George Scott,2000-10      **The History of Punishment** Lewis Lyons,2003-09 All sorts of punishment from all sorts of time and place      Under the Lash: A History of Corporal Punishment in the British Armed Forces ,1955      **The History of Corporal Punishment ... Fourth Impression** George Ryley SCOTT,1940      **History of corporal punishment** A. G. Timophejev,1904      Under The Lash - A History Of Corporal Punishment In The British Armed Forces Scott Claver,2013-01-03 A history of corporal punishment in the British armed forces Including chapters on punishment in the Navy Marines and Army Many of the earliest books particularly those dating back to the 1900 s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions using the original text and artwork      **The Evil Tendencies of Corporal Punishment** Lyman Cobb,1847      **Encyclopedia of Victimology and Crime Prevention** Bonnie S. Fisher,Steven P.

Lab,2010-02-02 Victimology and crime prevention are growing interrelated areas cutting across several disciplines Victimology examines victims of all sorts of criminal activity from domestic abuse to street violence to victims in the workplace who lose jobs and pensions due to malfeasance by corporate executives Crime prevention is an important companion to victimology because it offers insight and techniques to prevent situations that lead to crime and attempts to offer ideas and means for mitigating or minimizing the potential for victimization In many ways the two fields have developed along parallel yet separate paths and the literature on both has been scattered across disciplines as varied as sociology law and criminology public health and medicine political science and public policy economics psychology and human services and more The Encyclopedia of Victimology and Crime Prevention provides a comprehensive reference work bringing together such dispersed knowledge as it outlines and discusses the status of victims within the criminal justice system and topics of deterring and preventing victimization in the first place and responding to victims needs Two volumes containing approximately 375 signed entries provide users with the most authoritative and comprehensive reference resource available on victimology and crime prevention both in terms of breadth and depth of coverage In addition to standard entries leading scholars in the field have contributed Anchor Essays that in broad strokes provide starting points for investigating the more salient victimology and crime prevention topics A representative sampling of general topic areas covered includes interpersonal and domestic violence child maltreatment and elder abuse street violence hate crimes and terrorism treatment of victims by the media courts police and politicians community response to crime victims physical design for crime prevention victims of nonviolent crimes deterrence and prevention helping and counseling crime victims international and comparative perspectives and more

**A Study of the Influence of Selected Factors on Corporal Punishment Attitudes and Practices of Educators in the State of Michigan** Alan Gonick,1982 *History of Corporal Punishment* George Ryley Scott,1948 Flogging Others G. Geltner,2014-11-25 Corporal punishment is often seen as a litmus test for a

society s degree of civilization Its licit use purports to separate modernity from premodernity enlightened from barbaric cultures As Geltner argues however neither did the infliction of bodily pain typify earlier societies nor did it vanish from penal theory policy or practice Far from displaying a steady decline that accelerated with the Enlightenment physical punishment was contested throughout Antiquity and the Middle Ages its application expanding and contracting under diverse pressures Moreover despite the integration of penal incarceration into criminal justice systems since the nineteenth century modern nation states and colonial regimes increased rather than limited the use of corporal punishment Flogging Others thus challenges a common understanding of modernization and Western identity and underscores earlier civilizations nuanced approaches to punishment deviance and the human body Today as in the past corporal punishment thrives due to its capacity to define otherness efficiently and unambiguously either as a measure acting upon a deviant s body or as a practice that epitomizes in the eyes of external observers a culture s backwardness Geltner s striking account makes this volume

necessary reading well beyond the history of criminology itself Ed Peters Henry Charles Lea Professor of History at the University of Pennsylvania Brilliant A short sharp and often shocking corrective to conventional penal history and western cultural categories Geltner s little book mobilizes an abundance of comparative evidence to challenge our historical understanding of bodily punishment and to point up the invidious cultural uses of that history An object lesson in scholarly provocation David Garland New York University author of Punishment and Modern Society This provocative thesis about the continuation of corporal punishment will give rise to a great deal of debate Pieter Spierenburg Emeritus Professor at the Erasmus Universiteit Rotterdam     **Federal Probation** ,1943     Journal of the Board of Education of the City of New York  
New York (N.Y.). Board of Education,1908
