**The Holistic Revolution** Lillian Grant, 1978      The Holistic Revolution Lillian Grant, 1979      *The Australian Journal of Advanced Nursing*, 1993      American Book Publishing Record, 2003      **Healing Powers** Fred M. Frohock, 1995-05-15 The personal testimony of individuals engaged in healing practices and the opposing voices of orthodox and alternative medicines are the center of *Healing Powers* Focusing on medical norms and practices and on competing philosophies of the mind the body reality and rationality across radically different belief systems Fred Frohock clarifies the social and legal dilemmas represented by scientific medicine and alternative care Frohock goes beyond the often irreconcilable differences between scientific biomedicine and alternative care by clarifying the social and legal dilemmas they present A noteworthy contribution forcing us to rethink what medical care is all about Jeffrey Michael Clare *Journal of the American Medical Association* The book does more and better than simply provide a social scientific proposal It also gives not only a hearing but a voice to those who follow alternative therapies Frohock's accounts of their stories along with the stories of the medical professionals are eloquent and fascinating Allen Verhey *Medical Humanities Review* Contains a storehouse of valuable information about the historical philosophical and psychological bases of alternative approaches to healing Marshall B Kapp *New England Journal of Medicine* Frohock introduces us to the scientific naturopaths and to physicians who believe in the mind's power to heal to charismatics who believe in but cannot explain their powers to those who test God and those who merely accept He writes so well that I felt I had met these people Arthur W Frank *Christian Century*      New Realities, 1977-04      **The Library Journal Book Review**, 1978 R. R. Bowker LLC, 1979      **Divine Grace and Emerging Creation** Thomas Jay Oord, 2009-05-01 Wesleyans and Wesleyan theology have long been interested in the sciences John Wesley kept abreast of scientific developments in his own day and he engaged science in his theological construction *Divine Grace and Emerging Creation* offers explorations by contemporary scholars into the themes and issues pertinent to contemporary science and Wesleyan Theology In addition to groundbreaking research by leading Wesleyan theologians Jurgen Moltmann contributes an essay Moltmann's work derives from his keynote address at the joint Wesleyan Theological Society and Society for Pentecostal Studies meeting on science and theology at Duke University Other contributions address key contemporary themes in theology and science including evolution ecology neurology emergence theory intelligent design scientific and theological method and biblical cosmology John Wesley's own approach to science explored by many contributors offers insights for how two of humanity's central concerns science and theology can now be understood in fruitful and complementary ways      Library Journal, 1982      **Current Book Review Citations**, 1981      **The Philosopher's Index**, 1995 Vols for 1969 include a section of abstracts      **A Sociology of Health** David Wainwright, 2008-01-18 A *Sociology of Health* charts a way forward for a medical sociology that can make a positive contribution to medical practice and health policy Dr Michael Fitzpatrick East London GP and author of *The Tyranny of Health* This is a very lively book that will

stimulate good debate amongst students undertaking sociology of health courses in higher education Mathew Jones Senior Lecturer in Health and Social Policy University of the West of England A Sociology of Health offers an authoritative and up to date introduction to the key issues perspectives and debates within the field of medical sociology The book will aid readers understanding of how sociological approaches are crucial to understanding the impact that health and illness have on the behaviour attitudes beliefs and practices of an increasingly health aware population The book is topical and unique in its approach combining commentary and analysis of classic debates in medical sociology with contemporary issues in health care policy and practice The content is wide ranging including chapters on health scares therapy culture new dimensions of international health changes in health care organisation and the feminization of health Features such as case studies questions for debate and further reading sections are used throughout to promote critical reflection and further debate A Sociology of Health offers readers a fresh approach to the subject and will be essential reading for all undergraduate students on medical sociology and sociology of health and illness courses as well as postgraduate students in related health and social care disciplines David Wainwright is a Senior Lecturer in the School for Health University of Bath
