*The holy life* Evan Henry Hopkins,1881      **Living in the Power of the Holy Spirit** Charles F. Stanley,2005-03-09 Is the third Person of the Trinity a distant mystery a vague cosmic force Many believers acknowledge Him as a component of faith but perhaps not as a reality in their daily spiritual walk Yet the Bible is clear the Holy Spirit is a vital equal part of God promised by the Father to all Christians In *Living in the Power of the Holy Spirit* beloved pastor and Bible teacher Charles Stanley reveals the inner working of the Spirit with simple straightforward wisdom With this book you can better experience this awesome gift of God as you discover What holiness is and is not Seven works of the Holy Spirit in your life Three potentials God desires you to develop How to remain full of the Holy Spirit Four great questions to ask God every day If you are faltering or easily fall prey to temptation maybe you ve forgotten to rely upon the power of the Holy Spirit and begun to rely only on yourself The Christian life is meant to be increasingly dependent on His power working within you Learn today to live in the power of the Holy Spirit      **The Holy Spirit** Ivan M. Satyavrata,2012-02-14 It is impossible to love God and at the same time be dispassionate about the study of God Deep devotion to Jesus and an all consuming desire to see his glory fill the earth should fuel the passion of anyone who ventures to write about God and help illuminate other people s understanding of God and his ways Few themes call for as much of a blending of mind and heart as that of the Holy Spirit The global spread of Pentecostal Christianity often in context of urban poverty has attracted much attention The movement highlights a hunger for the experience of God in our world and provides millions of poor believers with hope for social transformation Yet spiritual experience needs a fully biblical understanding of the Holy Spirit with which its claims can be properly assessed Ivan Satyavrata provides an introduction to the Bible s teaching on vital issues and questions many of which have been and continue to be a source of confusion and controversy amongst Christians Combining scholarly enquiry with accessibility his deep theological reflections and passion for unity will contribute to constructive dialogue and appeal to a wide readership
