The Honey and the Hemlock Eli Sagan, 2001-05-01 *The Honey and the Hemlock* Eli Sagan, 1994 Examining Athenian democracy as an object lesson for democracy in general and invoking Freud as his guide in this task Eli Sagan explores the startling contradictions in the society of Athens its delicious honey and its deadly hemlock *Rage and the Republic* Jonathan Turley, 2026-02-03 On the 250th anniversary of the Declaration of Independence law professor legal analyst and bestselling author of *The Indispensable Right* Jonathan Turley explores how the unique origins of American democracy set it apart from other revolutions whether it can survive and thrive in the 21st century and how the unfinished story of the revolution will play out in a rapidly changing world This is a book about revolutions Most countries are the progeny of revolution At the birth of this nation the Founding Fathers faced the quintessential question of self governance how do you keep democracy from devolving into violent anarchy or brutal despotism Drawing on little known facts from the founding Jonathan Turley reveals how the United States escaped the cycles of violence and instability that plagued other democratic movements from ancient Athens to 19th century France As the nation approaches a new era marked by artificial intelligence robotics and profound economic shifts America must again withstand the pressure of radical forces that seek to curtail our natural liberties under the guise of popular reform In this crisis of faith many politicians and pundits are questioning the very principles of American democracy and some law professors are even calling for scrapping the Constitution Synthesizing sources from history to philosophy to the arts Turley offers a hopeful account of how the lessons of the past can guide us through today's crisis of faith in democracy and see us into the future He notes From redcoats to robots our challenges have changed Yet we have remained Our greatest danger is not forgetting the history detailed in this book but forgetting who we were in that history *The Dispensatory of the United States of America* Wood, Franklin Bache, 1874 *Contemporary Authors* Gale Group, 2003-05 A biographical and bibliographical guide to current writers in all fields including poetry fiction and nonfiction journalism drama television and movies Information is provided by the authors themselves or drawn from published interviews feature stories book reviews and other materials provided by the authors publishers **Dispensatory of the United States of America** George and Bache Wood (Franklin), 1873 Reports New Hampshire, 1895 *Modern domestic medicine ...
