**The Mask of Apollo** Mary Renault, 1974 King's Sacrifice Margaret Weis, 2011-07-27 The spellbinding conclusion to the star spanning saga of adventure and intrigue At the end of King s Test Sagan the man who overthrew Dion s father pledged his allegiance to Dion as the new king Now Dion battles alien and human enemies and must give up both his lover and one of his men as he learns what it truly means to be king Your Spiritual Lineage: Researching the Genealogy of Your Soul William Bray, 2006-10-30 Your Spiritual Lineage Researching the Genealogy of Your Soul Pioneering a New Understanding of the Origins of Personality Development Traditional psychology proposes that personality development begins at birth Instead this new study proposes that each of us has subconscious memories of past lives that form a much earlier origin A child prodigy may be selectively remembering talents skills and accomplishments from a previous lifetime that he is building on early in this one We are drawn to professions we are familiar with because we ve done them before and may choose places to live visit or vacation because they are pleasant and familiar to us from a past life walking on our own faded footprints without realizing it When one of his students in conversation began quoting poetry of Arthur Rimbaud without knowing it author William E Bray began exploring the possibility that his student might have been Rimbaud in a past lifetime Subsequent research led him to develop a lineage chart showing that the spiritual lineage of Rimbaud stretched back through Andre Breton Virgil and Alexander the Great He shows how the adventures of Aeneas would have been based on Virgil s subconscious memories of his own exploits when he would have been Alcibiades in a past life Each chapter leads the reader through an exciting search to discover the past lives of some of the world s most important figures The book is also written as a guide to help the reader learn how to research his own past lives Fiction, 1876-1983: Authors R.R. Middle earth and there has hitherto been a certain lack of academic criticism focused primarily on his shorter fictional works Farmer Giles of Ham Smith of Wootton Major Roverandom and his poetry Although scholarly evaluations of these works exist they often deal with the shorter texts more as an afterthought as footnotes to the major texts rather than as demanding attention in their own right This dearth of studies suggests that it is time for a closer look at Tolkien s Shorter Works The current volume collects the findings of a joint conference of Walking Tree Publishers who co organised this event in order to celebrate their tenth anniversary and the German Tolkien Society at the Friedrich Schiller University in Jena Germany in 2007 Various interesting aspects details and connections are unearthed which are likely to broaden not simply the understanding of Tolkien s Shorter Works but also of the author s overall fictional work as well as the man and author J R R Tolkien himself
