But the Johnson Amulet is no mere trinket and Derek isn't the only person trying to find the priceless relic. Before long he's up to his armpits in bodies, femme fatales and tentacles. The stars have aligned. An ancient evil has awakened. To save the day Derek must take some dark pathways and not everyone is going to make it back out into the light.

**The Hole** William Meikle, 2017-09-08 It starts with an odd hum that brings headaches and nosebleeds to the inhabitants of a remote sleepy country town. Then a sinkhole begins to form and out from that hole comes the townspeople's worst nightmares. Facing their fears and the growing madness a group of survivors descend into the collapsed area in an attempt to save what is left of their town. Sacrifices will be required but will they be enough? The hole is growing, spreading and the horror within it is growing stronger.

**Tormentor** William Meikle, 2018-03-20 This story isn't really about me. On the Isle of Skye near the community of Dunvegan sits a rustic old one bedroom home waiting for a new tenant. It seems like the perfect opportunity for Jim Greenwood to escape the hectic London city life a place to move on from tragedy. This is the story of a house. As he tries to settle into country life his is tormented by mysterious soot marks left throughout the house while he sleeps, cryptic emails from unknown senders and hundreds of hand drawn stick figure drawings etched in a perfect pattern on the cottage's cellar walls. Stay Beth needs you Jim begins losing control drinking excessively shaking to an uncontrollable beat in his head trying to decipher what may or may not be a code or a warning. No limbs no head no head left arm gone left leg gone no legs no head. The door is open and something is coming through. It's just a matter of when and what.

**The Job** William Meikle, 2017-10-07 Dave Wilson is down on his luck with gambling debts coming due. He takes on a risky burglary at a Scottish country house but the job goes badly wrong and all too soon Dave is embroiled in a fight he wants no part of an ages old battle for ownership of the house. Opposing factions are at work and both want Dave's help. There are demons to fight both metaphorical and literal and there are hard choices to be made if Dave has the strength to make them.

**Songs of Dreaming Gods** William Meikle, 2017-09-08 A mysterious house sits on a corner block on a hill in St John's Newfoundland in one of the oldest cities in North America a non-descript three story wooden cube going slowly to seed. When local cops John Green Janis Lodge and Todd Wiggins are sent to investigate a multiple murder on the top floor of the property they start

opening doors and uncovering secrets But like peeling the layers off an onion each door opened only leads them deeper into the mystery There are houses like this all over the world and those who suffer are drawn to them as John Janis and Todd have been drawn They have found their way in Can they find their way out again And at what cost *Ramskull William*

Meikle,2017-12-22 When Sergeant Dave Wilkes and his constable John Campbell are called out to a remote island it is to investigate a simple case of sheep worrying what they think is a routine job But upon arrival at Leita they find the community to be empty the shops and houses lying quiet Before too long they find disturbing evidence of violence and mayhem They get some of the story when they find three survivors holed up in a farmhouse but the tale they tell is almost unbelievable a grisly story of ritual cannibalism blood sacrifice and a ram s skull that makes its wearer both invincible and irresistible Soon they are in a fight for their lives as the ram takes control of the island Can they stop it and prevent it from spreading Or will the ancient magic of the ram prevail and take its bloody promises to the mainland and to the town that is waiting to be shown its glory *The Boathouse* Wililam Meikle,2018-06-19 Dave Wiggins is taking a trip to his past He doesn t much want to but his Ma is dying He intends to get in do his duty get out and forget about his small town roots But there is something back home that has been waiting for his return something that lurks waiting in a tumbledown boathouse in an abandoned community offshore Once Dave and his past meet up again the game is on A hurricane a scrimshaw chess set beer rum cigarettes old friends and past mistakes all conspire to keep Dave right where he least wants to be The game is on And it s his move
