The Monsters in the Mind Frank Cawson,1995 *The Monster's Mind* A.J. Conley,2005 The human mind is a strange and wonderful thing but sometimes no matter how hard we try we cannot understand the thoughts the mind thinks the reactions the mind takes or the actions the mind commands Some diseases can never be cured no matter how hard we try no matter how much we know no matter how desperately we hope The Monster s Mind is the story of a strange intrigue with the complex questions of the demented mind and motives of killer Joshua Dawson It is a tale of the doctor who longs to help him to find the normalcy so many of us take for granted and a terrifying realization that some minds simply cannot be reasoned into making sense at all even if helping them becomes a futile obsession
