

# The Marshall Plan

- June 1947 → Secretary of State George C. Marshall proposed the European Recovery Program, or Marshall Plan
- Gave European nations American aid to rebuild their economies
- Truman saw this and the Truman Doctrine as two halves of a whole in fighting communism
- Marshall Plan was offered to Eastern Europe, but they refused the aid and instead, the Soviets developed their own economic program

**History of the Office of the Secretary of Defense** ,1984    **The Slovak Question** Michael R. Cude,2022-06-07 The so called Slovak question asked what place Slovaks held or should have held in the former state of Czechoslovakia Formed in 1918 at the end of World War I from the remains of the Hungarian Empire and reformed after ceasing to exist during World War II the country would eventually split into the Czech Republic and Slovakia after the Velvet Divorce in 1993 In the meantime the minority Slovaks often clashed with the majority Czechs over their role in the nation The Slovak Question examines this debate from a transatlantic perspective Explored through the relationship between Slovaks Americans of Slovak heritage and United States and Czechoslovakian policymakers it shows how Slovak national activism in America helped the Slovaks establish a sense of independent identity and national political assertion after World War I It also shows how Slovak American leaders influenced US policy by conceptualizing the United States and Slovakia as natural allies due to their connections through immigration This process played a critical role in undermining attempts to establish a united Czechoslovakian identity and instead caused a divide between the two groups which was exploited by Nazi Germany and then by other actors during the Cold War and proved ultimately to be insurmountable    **The Origins of the Cold War, 1941-1949** Martin McCauley,1995 The Origins of the Cold War Third Edition covers the formative years of the extraordinary struggle between the two superpowers the Soviet Union and the United States In a clear and concise manner Martin McCauley explains how the Cold War originated and developed and unravels some of the complex issues that gave rise to the Cold War

absorbing book Bruce J Evensen analyzes the role of the mass media public opinion and the Zionists in the evolution of America s Palestine policy during the Truman administration Taking issue with recent revisionist historians who argue that Truman had little difficulty manipulating public opinion Evensen claims that the press and an aroused public opinion successfully frustrated the President s course on Palestine and elicited his support of the United Nations partition of Jewish and Arab states and Truman s early recognition of Israel Evensen emphasizes the development of a conventional wisdom that placed the Middle East at the center of U S strategic planning and saw limiting Soviet penetration as a primary goal Within this context he shows a divided Truman administration which was uncertain how to act on the Jewish state Reluctantly the administration initially supported the UN s vote to partition the region then as Palestine erupted into violence it attempted to abandon this decision Interpreting the President s action as a gutless appeasement of the Arabs and an indication of his fear of the Soviets the media reflecting the public s Cold War fears confronted the administration s policy in the Middle East and frustrated the President s effort to abandon the partition scheme The media s role in reflecting and shaping competing visions of reality which became the conventional wisdom of policy making is a key part of this study
