The Masque of the Black Tulip Lauren Willig,2011-01-24 But if modern manhood had let me down at least the past boasted brighter specimens To wit the Scarlet Pimpernel the Purple Gentian and the Pink Carnation that dashing trio of spies who kept Napoleon in a froth of rage and the feminine population of England in another sort of froth entirely Modern day student Eloise Kelly has achieved a great academic coup by unmasking the elusive spy the Pink Carnation who saved England from Napoleon But now she has a million questions about the Carnation s deadly nemesis the Black Tulip And she s pretty sure that her handsome on again off again crush Colin Selwick has the answers somewhere in his family s archives While searching through Lady Henrietta s old letters and diaries from 1803 Eloise stumbles across an old codebook and discovers something more exciting than she ever imagined Henrietta and her old friend Miles Dorrington were on the trail of the Black Tulip and had every intention of stopping him in his endeavour to kill the Pink Carnation But what they didn t know was that while they were trying to find the Tulip and trying not to fall in love in the process the Black Tulip was watching them

The Secret History of the Pink Carnation Lauren Willig,2011-01-24 Eloise Kelly longs for the romance of years gone by for a dashing hero like The Scarlet Pimpernel to come and sweep her off her Jimmy Choo clad feet but instead she s sloshing around London in the rain and finally realising that romantic heroes are a thing of the past To distract herself from such thoughts Eloise concentrates on her History dissertation and it s while rummaging through a pile of old letters and diaries that she discovers something amazing something that historians have missed the secret history of the most elusive spy of all time The Pink Carnation But why is the very modern Colin Selwick so determined to interfere with Eloise s research And why does he have to be quite so charming    **The Masque of the Black Tulip** ,2010 Two hundred years ago secret documents so sensitive they could alter the course of history were stolen from a courier with the London War Office At the scene of the crime the victim was left with a curious note containing only a small black symbol pinned to his chest Authorities were baffled It took two centuries for a young American history student Eloise Kelly to uncover the missing pieces of the puzzle As Eloise reads from an old codebook she discovers that the Black Tulip the deadliest spy in Napoleon s arsenal has returned to England with a terrifying mission Only a pair of star crossed lovers stands in the way of the Black Tulip But will stopping the Black Tulip s secret mission cost them their lives or even worse their love Delightful With such appealing characters and plots one fears that Willig currently a Harvard Law student and History Ph D candidate will never get those degrees
