**Carl Steenstrup**

## **The Medieval Japanese Daimyo The Ouchi Familys Rule Of Suo And Nagato:**

*The Medieval Japanese Daimyo* Peter J. Arnesen, **The Medieval Japanese Daimyo** Peter Judd Arnesen, 1979 **A History of Law in Japan Until 1868** Carl Steenstrup, 1996-01-01 Japan's modern written law is Western. However, this law operates in a society whose values are pre-Western. In order to understand the function of modern law, one has to study older systems of law as well. The main phases of Japan's pre-modern legal development are: first, the indigenous customary law of the Yamato state; next, the import and adaptation of Chinese codes from the 7th century onwards; third, the use of Chinese legal techniques to bring order to the indigenous feudal law, culminating in the thirteenth century and leading to the independence of Japan's legal system from that of China; fourth, the mature system of written law and custom of the Tokugawa state. It is owing to the existence of well-functioning channels of law that Japan was able to modernise rapidly.

*Routledge Handbook of Premodern Japanese History* Karl F. Friday, 2017-07-14 Scholarship on premodern Japan has grown spectacularly over the past four decades in both sophistication and volume. The new scholarship sees a higher reliance on primary documents, a shift away from the history of elites to broader exploration of social structures, and a reexamination of many of the key tenets which were once the received wisdom. Providing a primarily historiographical review, this handbook highlights the recent innovations and major themes that have developed in the study of premodern Japanese history. Covering Japanese history to 1600, *The Routledge Handbook of Japanese History* is an essential reference work for any student and researcher on Japanese, Asian, and World History. **Japanese Studies from Pre-History to 1990** Richard Perren, 1992

**Japanese History & Culture from Ancient to Modern Times** John W. Dower, 1986 **The Cambridge History of Japan** John Whitney Hall, 1989 *Court and Bakufu in Japan* Jeffrey P. Mass, 1995 The Kamakura period (1180-1333) is known as the era of Japan's first warrior government. As the essays in this book show, however, the period was notable for the coexistence of two centers of authority: the Bakufu military government at Kamakura and the civilian court in Kyoto, with the newer warrior government gradually gaining ascendancy. *Feudalism in Japan* Peter Duus, 1993 Offers a comparison between Japanese and Western political institutions in the premodern period. This title contains a brief discussion of the meaning and significance of the term Feudalism and it suggests ways in which the term might be used for explorations in comparative history. It can serve as a reading for courses on Japanese history. **War and Territorial Imagination in Late Medieval Japan** David Andrew Michael Spafford, 2006 *East Asian History*, 2001 **The Heritage of Japanese Civilization** Albert M. Craig, 2003 This short survey of the rich and long history of Japan provides an overall framework from its origins to today. It presents traditions in every field of the arts and literature, political changes, economic advancements, and developments in society, commerce, and culture. Five chapters cover distinct eras: Japan's origins to the twelfth century, medieval Japan, Tokugawa Rule, modern Japan (1853-1945), and from war's end to the new millennium. For anyone interested in the civilization of Asia and Japan. *Genealogies in the Library of Congress* Library of Congress, 1987 Second supplement to

original 2 vol set     *The Journal of Japanese Studies* ,2009 A multidisciplinary forum for communicating new information new interpretations and recent research results concerning Japan to the English reading world     Transactions of the Asiatic Society of Japan ,1986     **Genealogies Cataloged by the Library of Congress Since 1986** Library of Congress,1991 The bibliographic holdings of family histories at the Library of Congress Entries are arranged alphabetically of the works of those involved in Genealogy and also items available through the Library of Congress     *Asian Thought & Society* ,1980     **Social Militarisation and the Power of History** Dick Harrison,1999 This book examines the scholarly treatment of three macro regions East Asia Southeast Asia and Mesoamerica The early medieval history of Europe is also analysed from the point of view of militarisation     **Book Review Digest** ,1980     *Subject Catalog* Library of Congress,1981
