The Merchants The Big Business Families Of Arabia:

The Merchants Michael Field,1985 The Big Business Families of Saudi Arabia and the Gulf States **The Merchants** Michael Field,1984 **The Rise and Fall of the Hashimite Kingdom of Arabia** Joshua Teitelbaum,2001 The Hashemite Kingdom of Arabia was forged in the crucible of the Arab Revolt in 1916 during World War I Its leader Sharif Husayn ibn Ali struggled to put together a tribal confederacy This study examines Husayn's efforts at state formations efforts that eventually failed **Saudi Arabia** Tim Niblock,2004-08-02 Saudi Arabia provides a clear concise yet analytical account of the development of the Saudi state including discussion of the social and economic dynamics which underlie the country's politics **The Gulf Family** Alanoud Alsharekh,2012-07-15 The six Arab States of the Gulf Cooperation Council GCC are all monarchies but their societies economies and polities are organised primarily through kinship in the form of extended families and tribes No other region in the world consists of states so traditional in their organisation developing at rates well above global averages are ultra modern in many other regards The book examines the paradox of the persisting importance of family and tribe in the face of modernisation It evaluates past and present roles of kinship in the GCC states assesses the impacts of change and speculates on likely future patterns of social economic and political organisation Contributors include Shaikha Hind bint Salman al Khliifa Salwa al Khateeb Fred H Lawson Mandana Limbert James Onley J E Peterson Jean Francois Seznec and Ali al Tarrah **Social Change in the Gulf Region** Md Mizanur Rahman,Amr Al-Azm,2023-03-21 This open access book comprising thirty nine chapters divided into social cultural economic and political spheres offers a unique opportunity to dive into the complex dynamic and sometimes contradictory transformation of Gulf societies in the last few decades Whilst the Gulf region has at times been seen as impervious to this natural phenomenon of transformation timeless never changing deeply rooted in its ancient tribal customs and traditions and able to blend past and present seamlessly without suffering the wrenching trauma of change this is clearly not the case and the region is not immune to the inevitable forces of social change There is no doubt today that the social change sweeping the Gulf has been profound affecting almost every aspect of life in the Gulf societies This volume has an encyclopedic value as the chapters collectively offer multifaceted and multidisciplinary perspectives to understand social change in the Gulf region Through these chapters the role of economic and educational transformation and the impact of social media migration and urbanization have in driving social change in the Gulf societies is examined in detail with a focus on their directions magnitudes and relevant policy options It also considers how COVID 19 is affecting the lives of the people in the Gulf This book bridges gaps in the understanding of the rapid pace of social change in the Gulf offering practical solutions for policy interventions It is of interest to scholars and students in Middle Eastern studies specifically as well as sociology media studies migration studies and educational policy

Population and Development of the Arab Gulf States Nadeya Sayed Ali Mohammed,2017-03-02 This thought provoking study measures and critically examines the effects that an average population growth rate of 2.8% could have on

the development of the Arab Gulf States It questions the ability of Gulf governments to continue providing relatively high standards of education health and employment under conditions of rapid population growth an undiversified economic base and a tribal political framework Within this context population growth is identified as one important variable that hinders long term development The book will appeal to all those interested in the Middle East demography development and sociology *The Emergence of the Gulf States* John Peterson,2016-06-16 CHOICE Outstanding Academic Title 2017 The Emergence of the Gulf States covers the history of the Gulf from the 18th century to the late 20th century Employing a broad perspective the volume brings together experts in the field to consider the region s political economic and social development The contributions address key themes including the impact of early history religious movements social structures identity and language imperialism 20th century economic transformation and relations with the wider Indian Ocean and Arab world The work as a whole provides a new interpretive approach based on new research coupled with extensive reviews of the relevant literature It offers a valuable contribution to the knowledge of the area and sets a new standard for the future scholarship and understanding of this vital region *Regime Stability in Saudi Arabia* Stig Stenslie,2012 This book examines the structure of political power amongst elites inside Saudi Arabia and how they might cope with the very serious challenge posed by succession Presenting a new and refreshing theoretical approach that links elite integration with regime stability the author shows that the kingdom s royal elite is far more integrated than it has generally been given credit for Based on extensive field work inside Saudi Arabia the book offers a detailed up to date survey and assessment of all the key sectors of the elites in the country The author examines how the succession process has been used in highly different circumstances including deposition assassination and death by old age and demonstrates how regime stability in Saudi Arabia rests on the royal family s ability to unite and to solve the challenge of succession He offers a strong analysis of intra ruling family mechanisms and dynamics in this notoriously private royal family and addresses the question of whether as the number of royals rapidly grows the elite is able to remain integrated Providing a rare insight into the issues facing the royal family and ruling elite in Saudi Arabia this book will be of great interest to scholars and students of Middle Eastern politics and Saudi Arabia in particular 2003, /(アラブ-世界)アラブ世界の政治と経済 アラブ世界の政治と経済 **The Middle East and North Africa 1995** 41st 1995,Eurora Publications Limited,1995 This comprehensive and systematic survey of the Middle Eastern world from Algeria to Yemen presents statistics directory material and informative essays on topics relating to contemporary and historical events in the region as a whole **Political Power and Economic Change in the Arab World** Gorm Rye Olsen,1994 **The Muslim World Book Review**,1986 *Politics of the Modern Arab World* Laleh Khalili,2009 Covers the Arab world from Morocco to the borders of Iran with the focus primarily on the 20th Century By choosing a wide array of authors many of whom are from the region or from the non Anglophone world the full breadth of worldwide scholarship on the modern Arab world is on display **The Middle Eastern City and Islamic Urbanism** Michael E. Bonine,1994 This
