The Methuselah Solution:

The Methuselah Solution William O. Harris, III, 2000-11 As the prison population grows exponentially in the U S today writer Bill Harris has captured the politics of the prison system and found a revolutionary answer in his futuristic novel The Methuselah Solution One of the story's two protagonists Dr Cynthia Turner is a rising star at the Institute where she supervises the administration of a new form of alternative sentencing an aging serum developed to replace multiple years of costly confinement with the injection of a drug that rapidly ages convicted felons to their prescribed sentence The serum is a favorite with politicians but the bane of powerful companies long profiting from the spiraling expansion of prison construction The serum is in its sixth year of use when the problems start A time when prisons have become a place where aged felons can readjust to life with weaker bones slower pulses and mottled minds Except for the antagonist Joshua Howard A career criminal Joshua is clever attractive self righteous and has been sentenced to be aged twenty years for embezzlement Dr Turner watches with a mixture of awe and horror as Joshua is over aged thirty years leaving his body far weaker than his spared mind Dr Turner and her boss Dr Kenneth Lambert attempt to deal with Joshua and another prisoner Patricia Bennett a former Olympic Gymnast who killed her husband while responding to the encouragement of her dead father The Institute is now faced with the epic task of confronting Patricia's Olympic strength and the determination of Joshua's contempt and rage What happens inside the underground prison throughout the story would remain as silent and deadly to the population of Texas as the Ebola virus was to Reston Virginia except for the disorganized attempts of the second protagonist Alexis Troutman Alex is a local reporter who has begun to oppose the use of the aging serum and attempts to enlist Dr Turner's help to rectify the prison's problems The Institute is racing to develop an antidote to counteract over aging reactions the only problem is that Joshua gets to the antidote first The apocalyptic conclusion explodes when Alex enters the Institute as Joshua and Patricia embark on a reign of terror and vengeance after securing the antidote

John Christopher Mynk, 2025-07-10 Does God really

answer our prayers Maybe you ve read all the Bible verses about it Maybe you ve had friends preach to you in the most charismatic way that God answers prayers but then you slip back into reality and just don t see the evidence John Mynyk has been there too and his story may be just what you need At seventeen Mynyk heard a sermon about divine appointments divinely guided gospel opportunities Having never successfully shared the gospel with anyone he prayed for a divine appointment He didn t realize what he had just set in motion that day His divine appointment would be with someone who wouldn t even be born for the next eight years See how odd situations such as a late doctoral dissertation an improper weather prediction an abnormal work contract extension a prophetic dream and even a little boy s call to nature all orchestrated this divine appointment If any one of those and other situations were even slightly different the divine appointment could never have occurred After reading this story truly ask yourself if God really does answer our prayers

Methuselah's Children Robert A. Heinlein,2014-12-22 After the fall of the American Ayatollahs as foretold in Stranger in a Strange Land and chronicled in Revolt in 2100 the United States of America at last fulfills the promise inherent in its first Revolution for the first time in human history there is a nation with Liberty and Justice for All No one may seize or harm the person or property of another or invade his privacy or force him to do his bidding Americans are fiercely proud of their re won liberties and the blood it cost them nothing could make them forswear those truths they hold self evident Nothing except the promise of immortality

What is truth? The answer of the types, &c., in the Old Testament scriptures [&c.].

Robert Waters (A.K.C.L.),1900 *Simple Solutions for Humanity* Patrick Kenji Takahashi,2008-02-29 Book 1 SIMPLE SOLUTIONS for Planet Earth dealt with energy and the environment SIMPLE SOLUTIONS for Humanity provides ultimate answers for our society and beyond Ever wonder if there could ever be a way to end crime and war forever or the prospects for immortality or a better educational system or the reality of extraterrestrial intelligence or the future of religion If all the above can be satisfactorily resolved then just in case there is no afterlife where is the best place to live on Earth today Simple solutions of course are hardly that How to end crime What about three strikes and you re dead Sure this should work but it s not morally rational The solution to war is incredibly simple Just read the book and find out how Scientists are getting very close to determining a way to disarm our aging gene When will this happen Our educational system is flawed Be prepared to be shocked by the Stanford Marshmallow Study Then find out that our terrible student scores relative to the developed world might not be worth all the anguish The USA will prevail because of our superiority in Could the solution for world peace or curing cancer be streaming in from space The Search for Extraterrestrial Intelligence could someday soon detect what would be the most monumental discovery since the invention of God How can religion overcome the immorality of purporting to promise an afterlife WITHOUT ANY PROOF A Golden Evolution is suggested Are you one of those who largely wasted your life looking out only for yourself family and friends Could there be a higher calling You too can make a positive difference Rainbow Vision is explained to equip you with the tools to help save Planet Earth and Humanity *Colburn's United Service*
