Hatcher, III, Comp James F Hatcher III, 2014-07-22 The Degree of Mark Master which is the Fourth in the Masonic series is historically considered of the utmost importance since we are informed that by its influence each operative Mason at the building of King Solomon s Temple was known and distinguished and the disorder and confusion which might otherwise have attended so immense an undertaking was completely prevented and not only the craftsmen themselves but every part of their workmanship was discriminated with the greatest nicety and the utmost facility It is claimed by Masonic writers that this Degree in Masonry was instituted by King Solomon at the building of the Temple for the purpose of detecting impostors while paying wages to the craftsmen Each operative was required to put his mark upon the product of his labor and these distinctive marks were all known to the Senior Grand Warden If any of the workmanship was found to be defective it was a matter of no difficulty for the overseers to ascertain at once who was the imperfect craftsman and remedy the defect Thus the faulty workman was punished without diminishing the wages of the diligent and faithful craftsmen Today Marks are not generally recorded this duty is very much neglected it should be done and strictly enforced in every Lodge of Mark Master Masons This Book of Marks allows you to actually register up to 500 Masons Marks of your newly admitted Brethren to be kept on record for all time No Mark Masters Lodge or Royal Arch Chapter Library should be without one Get a copy for your Lodge or Chapter
