The Memoirs Of Colonel John S Mosby:

Mosby's Memoirs John S. Mosby, 1995-06-13 The Confederate guerrilla cavalry chieftain relates the history of his daredevil command in this memoir. No other figure of the Civil War became during his lifetime such a storybook legend as John Mosby. Edmund Wilson Southern Classics Series **The Memoirs of Colonel John S. Mosby** John Singleton Mosby, 1959 Colonel Mosby was a Virginian of the Virginians educated at the State's University and seemed destined to pass his life as an obscure Virginia attorney when war brought him his opportunity for fame. The following pages contain the story of his life as private in the cavalry as a scout and as a leader as partisans. Introduction **The Memoirs of Colonel John S. Mosby** John S. Mosby, 2016-05-23 John Singleton Mosby the Gray Ghost was one of the most effective military leaders of the American Civil War. Leading his cavalry unit known as Mosby's rangers he hit the Union Army time and time again with lightning raids. After these raids were done his troops would seemingly melt away blending in with local farmers and townspeople. In his memoirs first published in 1917 he gives a thrilling account of his tactics. This book is a fascinating account that covers Mosby's entry into the Confederate army daily life within it and major battles including Manassas and Gettysburg. No other figure of the Civil War became during his lifetime such a storybook legend as Colonel John Singleton Mosby the audacious and resourceful Confederate soldier who operating in sight of the Capitol dome with a handful of undisciplined guerrillas performed prodigies in breaking up Union communications and capturing or putting to flight detachments of Union troops that were often far larger than his own. Edmund Wilson Patriotic Gore Since the close of the war I have come to know Colonel Mosby personally and somewhat intimately. There were probably but few men in the South who could have commanded successfully a separate detachment in the rear of an opposing army and so near the border of hostilities as long as he did without losing his entire command. Ulysses S Grant John Singleton Mosby 1833-1916 studied at the University of Virginia and was admitted to the Virginia Bar in 1854. Upon the secession of Virginia he entered the Confederate military service and subsequently formed an independent cavalry unit which operated behind Union lines in a region that came to be known as "Mosby's Confederacy." After the war Mosby held several U.S. Government posts including a consulship in Hong Kong. Albion Press is an imprint of Endeavour Press the UK's leading independent digital publisher.
