### **Multimodal**

**Approaches to Chinese-English Translation and Interpreting** Meifang Zhang,Dezheng (William) Feng,2020-12-29

Nowadays discourse analysis deals with not only texts but also paratexts and images so do translation and interpreting studies Therefore the concept of multimodality has become an increasingly important topic in the subject areas of linguistics discourse analysis and translation studies However up to now not much research has been done systematically on multimodal factors in translation and interpreting and even less in exploring research models or methodologies for multimodal analysis in translation and interpreting This book aims to introduce and apply different theories of the multimodal discourse analysis to the study of translations with case studies on Chinese classics such as the Monkey King Mulan and The Art of War as well as on interpretations of up to date issues including the Chinese Belt and Road Initiatives and Macao tourism The chapters reflect the first attempts to apply multimodal approaches to translation and interpreting with a special focus on Chinese English translations and interpreting They provide new understandings of transformations in the multimodal translation process and useful reference models for researchers who are interested in doing research of a similar kind especially for those who are interested in looking into translations related to Chinese language literature and culture

### The Psychosocial

**Implications of Disney Movies** Lauren Dundes,2019-07-11 In this volume of 15 articles contributors from a wide range of disciplines present their analyses of Disney movies and Disney music which are mainstays of popular culture The power of the Disney brand has heightened the need for academics to question whether Disney s films and music function as a tool of the Western elite that shapes the views of those less empowered Given its global reach how the Walt Disney Company handles the role of race gender and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume On the other hand other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies The authors of the 15 articles encourage readers to engage with the material showcasing a variety of views about the good the bad and the best way forward
