Customer Relationship Management Simon Knox, Adrian Payne, Lynette Ryals, Stan Maklan, Joe Peppard, 2007-06-01
Customer Relationship Management presents a ground breaking strategic framework for successful CRM policy. Built around Professor Payne's five key processes the book demonstrates a systematic management progression that will guarantee the maximum impact and efficiency of a CRM programme. The book backs up these five processes strategy development, value creation, channel and media integration, information management and performance assessment with 16 best practice case studies which set the universal theory in a specific practical context. These feature a range of companies including Orange, Britannia, Homebase, Canada Life, Sun Microsystems, Natwest, Sears, Roebuck Co, Nortel Networks and Siemens. The book concludes with interviews from four thought leaders offering a futures vision forum for CRM. Customer Relationship Management is a vital instrument for anyone who needs to know how to develop and measure effective CRM within an organization. It includes overviews and key learning points preceding each case study and a summary chapter to draw out the most salient lessons from CRM best practices. For practitioner or academic alike this is essential reading.
