Creating Equitable Classrooms Through Action Research Cathy Caro-Bruce, 2007-08 Recognizing the importance of race class gender culture and ability the authors provide a window into the difficulties that professional educators grapple with as they face the challenge of teaching all children This text is both authentic and practical and it demystifies the issues of equity that pervade today's classrooms Diane Yendol Hoppey Associate Professor University of Florida Gainesville Action research of this caliber on the subject of equity is critically needed for all children to have access to the same level of rigor and high standards This is a must read for districts that really want to turn action research into action that affects student learning Terry Morganti Fisher Director of Professional Development Austin Independent School District TX Utilize the power of action research to narrow the achievement gap Despite the best intentions of reform efforts educational inequity continues to exist in public schools Creating Equitable Classrooms Through Action Research confronts this challenge head on and shows educators how they can use action research to both raise student achievement and strengthen instructional leadership Ideal for both a first time action research endeavor or one already in progress this practical guidebook helps practitioners formulate specific research questions collect and analyze data and communicate their findings Educators will discover Ten action research studies on narrowing the achievement gap Guidelines for implementing an action research project that supports culturally relevant instruction Authentic examples for discussion and reflection Invaluable for school district leaders teachers professional development schools and preservice teachers this resource for systemwide improvement efforts helps schools provide more equitable learning environments for all children

All Children Read Charles A. Temple, 2008 Written by one of the most dynamic author teams in the field of Reading and Literacy the second edition of All Children Read continues to offer K-8 teachers the best practices for nurturing emergent literacy teaching early literacy concepts and developing reading and writing in all students those of varying reading levels and abilities as well as those who are English language learners The new edition increases its emphasis on the professional aspects of literacy instruction and also includes significant new coverage of fluency and vocabulary differentiated instruction and connections to the SIOP and the all important topics of literacy assessment Central to the text are the six overriding themes the troubled reader family community literacy technology writing and reading connections language diversity and phonics phonetic awareness interwoven throughout making this book the most contemporary and critical learning aid to come out in the field in years

Linguistics and Language Behavior Abstracts, 2004

Differentiated Literacy Instruction for English Language Learners Alice L. Quirocho, Sharon H. Ulanoff, 2009 Differentiated Literacy Instruction for English Language Learners assists teachers in developing a multifaceted approach to successful instruction uniquely clarifying the critical role of culture and language in working with English language learners Carefully crafted chapters guide literacy educators from initial assessment to the development of successful differentiated instruction Drawing on their vast experience with teaching English Learners Alice Quirocho and

Sharon Ulanoff offer teachers a myriad of practical strategies lots of authentic teacher examples and detailed lesson plans They identify how to build English skills with English learners at every developmental level In addition the authors also feature a chapter detailing the steps necessary to reach English learners who have been identified for special education a topic infrequently covered in other texts The explicit lesson plans field studies and classroom vignettes crystallize the theories presented in this text Teachers will find that Differentiated Literacy Instruction for English Language Learners promotes a personalized approach to English learning that will prove to be a vital tool for anyone hoping to maximize their students potential What reviewers say The authors know their field and they recognize and confirm teachers abilities and expertise to enhance English language learners content literacy development Janet Richards University of South Florida I think the authors do a wonderful job connecting theory to practice The writers do an excellent job of writing a clear and interesting text Debra Price Sam Houston State University There is much value in the pedagogical features of this book I have never seen such an extensive explanation of language acquisition and the different ways teachers can assess English learners I think that it will be the best book on the market in this regard Deanna Gilmore Washington State University
