Tall Tale America:

Tall Tale America Walter Blair, 2018-12-01 Johnny Appleseed Davy Crockett Pecos Bill Paul Bunyan and John Henry have all become heroes of American folklore Some of them like Crockett were real but all have become the subject of tall tales This is a folksy history of the United States told as if the characters were all real This panoramic if completely untrue history begins with Columbus En route to its end in the 1940s where traditional American heroes are enlisted to fight in World War II it covers the great and small events of our national history including the overlooked but important ones such as the invention of the prairie dog Washington Post Book World **The Tall Tale in American Folklore and Literature** Carolyn Schmidt Brown, 1987 To Carolyn Brown's mind the tall tale is not necessarily an account of the adventures of a larger than life hero nor is it just a humorous first person narrative exaggerated to outlandish proportions The tall tale is also a social statement that identifies and binds a folk group by flaunting the peculiar knowledge and experiences of group members and it is a tool for coping with a stressful or even chaotic world for conquering life's problems by laughing at them Drawing on previous research and her own original fieldwork the author develops in detail this definition of the tall tale as a genre of folklore and she then explores how tall tale methods and meaning have been translated into literary humor She probes the ways that writers have used this genre to create a complex theoretical relationship among text author narrator and reader Finally Brown alludes to the echoes of all tale attitudes and style still found in modern written humor From publisher's description **Tall Tales of America** Irwin Shapiro, 2012-09 *American Tall Tales* Mary Pope Osborne, 1991 Presents an illustrated collection of tall tales about such American folk heroes as Sally Ann Thunder Ann Whirlwind Pecos Bill John Henry and Paul Bunyan Reissue American Tall Tales Adrien Stoutenburg, 1976-10-28 Eight exciting classic American Tall Tales This collection includes the famed stories of Paul Bunyan Pecos Bill Stormalong Mike Fink Davy Crockett Johnny Appleseed John Henry and Joe Magarac with evocative illustrations by Richard M Powers Big Men, Big Country Paul Robert Walker, 2000 Nine stories are featured followed by information detailing the origins of each tale **American Folktales** Carl Lindahl, 2004 Publisher's description This two volume collection of folktales represents some of the finest examples of American oral tradition Drawn from the largest archive of American folk culture The American Folklife Center at the Library of Congress the first of its kind set includes magic tales legends jokes tall tales and personal narratives over 200 in all many of which have never been previously transcribed or published Eminent folklorist and award winning author Carl Lindahl selected and transcribed over 200 recording sessions many from the 1920s and 1930s that span the twentieth century including recent material drawn from the September 11th project This varied collection is organized in chapters by storyteller tale type or region representing diverse American cultures from Appalachia and the Midwest to Native American and Latino traditions Each chapter begins by discussing the storytellers and their oral traditions and then introduces and presents each tale so that the collection is equally accessible to high school students general readers or scholars Multiple
