this dynamic what did it mean to convert to Christianity in seventh century Ireland What did it mean to embrace Islam in tenth century Egypt Are the two phenomena comparable on a social cultural and legal level The chapters of the book also ask what we are able to learn from our sources which at times provide a very culturally charged and specific conversion rhetoric Taken as a whole the compositions in this volume set out to argue that inter religious conversion was a process that was recognizable and comparable throughout its geographical and chronological purview Forthcoming Books Rose Arny,1997
