## Tanias Trolls:

*Omen of Ice* Jus Accardo, 2023-08-01 Keltania Tunne has spent her whole life training to become a bodyguard for a Winter Fae. It's the highest of honors for a druid, only when Tania arrives at the Winter Court for the first time, nothing is what she expected. Her assignment is the heir to the throne Valen, and he doesn't want her protection. In fact, he wants her gone. Yesterday, But Tania will not compromise, even if he is the most arrogant jackass she's ever met, because something isn't right in the Winter Court. Everyone has secrets. From the Winter Lord to the kitchen maids to the rising faction that wants the prince dead, no one is who they seem. And now it's up to Tania to keep her sacred oath and protect Valen, even when his smart mouth makes her skate the razor thin edge between love and hate. But the more she gets to know him, the more she realizes his secret is the biggest of all and might just get them both killed. The *Omen of Ice* duology is best enjoyed in order. Reading Order: Book 1 *Omen of Ice* Book 2 *Nature of Frost*

**The Secret of Shabaz** Jennifer Macaire, 2004-08-01 Once upon a time, there was a brave and noble unicorn whose name was Shabaz. So wondrous was this beast, so loyal and devoted to his mistress, that he gave up his horn to a powerful magic to save her and her infant daughter from the evil and terrible Dark Lord, a necromancer. He travels through time with his precious cargo and Birchspring, a warrior elf, to a place they believe will be safe. Two hundred years have passed. Tania, a servant lass, toils in the stable of the once mighty Castle Storm. An orphan, Tania has only her Grandfather Birchspring and the tired old war horse she tends. Her life is hard and dull with drudgery. Until Tania hears that a new Dark Lord has risen and threatens the centuries of peace the countryside has enjoyed. It is not all she learns. Grandfather Birchspring can no longer contain the secret of Tania's heritage. The tired old war horse can no longer maintain his masquerade. Together the three cannot sit idly by while the evil force that destroyed Tania's mother returns to finish what he once started. Ill equipped with only great heart and noble purpose, they ride to war. But it is more than battle they encounter. And it is only the force of love that will endure. Love and the unicorn's final precious gift.

**School Library Journal**, 2006    **Invasion of the Ortaks Book 6 Vikings** Sveinn Benónýsson, 2019-08-27 The ongoing war in Esthopia is beginning to leave its mark on the lands as outlaws and noblemen begin claiming their lands in Queen Egny's kingdom. Meanwhile, she sits on her throne in Otanga. The Ortaks Army invades Hergia from the south while, at the same time, a large fleet of longships arrives on the shores of Hergia from the north. The Vikings are led by King Haldor the White and his half brother, Oskar the Black. They set up camp determinedly, claiming the northern valleys of Hergia as Haldor's kingdom. In Alfheim, the Elves and the Barbarians expand their knowledge of the Underworld with every battle they fight. But will the Elven Princess and the Barbarian Prince survive an ambush in the cave?
