**Aleksandr Arkad'evich Dolin**

## **Tankas Of Time And The Untankaable:**

**The Making of Medieval Panjab** Surinder Singh, 2019-09-30 This book seeks to reconstruct the past of undivided Panjab during five medieval centuries. It opens with a narrative of the efforts of Turkish warlords to achieve control in the face of tribal resistance, internal dissensions, and external invasions. It examines the linkages of the ruling class with Zamindars and Sufis paving the way for canal irrigation and agrarian expansion, thus strengthening the roots of the state in the region. While focusing on the post-Timur phase, it tries to make sense of the new ways of acquiring political power. This work uncovers the perpetual attempts of Zamindars to achieve local dominance, particularly in the context of declining presence of the state in the countryside. In this ambitious enterprise, they resorted to the support of their clans, adherence to hallowed customs, and recurrent use of violence, all applied through a system of collective and participatory decision making. The volume traces the growth of Sufi lineages built on training disciples, writing books, composing poetry, and claiming miraculous powers. Besides delving into the relations of the Sufis with the state and different sections of the society, it offers an account of the rituals at a prominent shrine. Paying equal attention to the southeastern region, it deals with engagement of the Sabiris among other exemplars with the Islamic spirituality. Inclusive in approach and lucid in expression, the work relies on a wide range of evidence from Persian chronicles, Sufi literature, and folklore, some of which have been used for the first time. Please note: Taylor Francis does not sell or distribute the Hardback in India, Pakistan, Nepal, Bhutan, Bangladesh, and Sri Lanka.

**The Great Sioux Nation** Roxanne Dunbar Ortiz, 2022-03-04 If the moral issues raised by the Sioux people in the federal courtroom that cold month of December 1974 spark a recognition among the readers of a common destiny of humanity over and above the rules and regulations, the codes and statutes, and the power of the establishment to enforce its will, then the sacrifice of the Sioux people will not have been in vain. Vine Deloria Jr. *The Great Sioux Nation: Sitting in Judgment on America* is the story of the Sioux Nation's fight to regain its land and sovereignty, highlighting the events of 1973-74, including the protest at Wounded Knee. It features pieces by some of the most prominent scholars and Indian activists of the twentieth century, including Vine Deloria Jr., Simon Ortiz, Dennis Banks, Father Peter J. Powell, Russell Means, Raymond DeMallie, and Henry Crow Dog. It also features primary documents and firsthand accounts of the activists' work and of the trial. New to this Bison Books edition is a foreword by Philip J. Deloria and an introduction by Roxanne Dunbar Ortiz.

**Travels with a Writing Brush**, 2019-11-07 A rich, exquisite, and original anthology that illuminates Japanese travel writing over a thousand years. Oh journey upon journey, my life is a brief moment, and I cannot hope that we will meet again. Roaming over mountains and along perilous shores, this anthology illuminates over a thousand years of Japanese travel writing. It takes in songs, diaries, tales, and poetry, and ranges from famous works including *The Pillow Book* and the works of Basho to pieces such as the diary of a young girl who longs to return to the capital and her beloved books, or the writings of travelling monks who sleep on pillows of grass. Together, they illuminate a long literary tradition with intense poetic

experience at its heart Translated and edited with an introduction by Meredith McKinney The Peculiar Life of a Lonely Postman Denis Thériault, 2017-02-02 Selected for Simon Mayo's BBC Radio 2 Book Club Quirky and charming Guardian For readers of *The Hen Who Dreamed She Could Fly* and *The Guest Cat* comes this passionate bittersweet love story that will move readers old and young Secretly steaming open envelopes and reading the letters inside Bilodo has found an escape from his lonely and routine life as a postman When one day he comes across a mysterious letter containing a single haiku he finds himself avidly caught up in the relationship between a long distance couple who write to each other using only beautiful poetry He feasts on their words vicariously living a life for which he longs But it will only be a matter of time before his world comes crashing down around him *Crazy Horse* Kingsley M. Bray, 2014-10-30 Crazy Horse was as much feared by tribal foes as he was honored by allies His war record was unmatched by any of his peers and his rout of Custer at the Little Bighorn reverberates through history Yet so much about him is unknown or steeped in legend Crazy Horse A Lakota Life corrects older idealized accounts and draws on a greater variety of sources than other recent biographies to expose the real Crazy Horse not the brash Sioux warrior we have come to expect but a modest reflective man whose courage was anchored in Lakota piety Kingsley M Bray has plumbed interviews of Crazy Horse's contemporaries and consulted modern Lakotas to fill in vital details of Crazy Horse's inner and public life Bray places Crazy Horse within the rich context of the nineteenth century Lakota world He reassesses the war chief's achievements in numerous battles and retraces the tragic sequence of misunderstandings betrayals and misjudgments that led to his death Bray also explores the private tragedies that marred Crazy Horse's childhood and the network of relationships that shaped his adult life To this day Crazy Horse remains a compelling symbol of resistance for modern Lakotas Crazy Horse A Lakota Life is a singular achievement scholarly and authoritative offering a complete portrait of the man and a fuller understanding of his place in American Indian and United States history

**Reading Food in Modern Japanese Literature** Tomoko Aoyama, 2008-09-30 Literature like food is in Terry Eagleton's words endlessly interpretable and food like literature looks like an object but is actually a relationship So how much do we and should we read into the way food is represented in literature Reading Food explores this and other questions in an unusual and fascinating tour of twentieth century Japanese literature Tomoko Aoyama analyzes a wide range of diverse writings that focus on food eating and cooking and considers how factors such as industrialization urbanization nationalism and gender construction have affected people's relationships to food nature and culture and to each other The examples she offers are taken from novels shosetsu and other literary texts and include well known writers such as Tanizaki Jun ichiro Hayashi Fumiko Okamoto Kanoko Kaiko Takeshi and Yoshimoto Banana as well as those who are less widely known Murai Gensai Nagatsuka Takashi Sumii Sue and Numa Shozo Food is everywhere in Japanese literature and early chapters illustrate historical changes and variations in the treatment of food and eating Examples are drawn from Meiji literary diaries children's stories peasant and proletarian literature and women's writing before and after World War II The author then

turns to the theme of cannibalism in serious and popular novels Key issues include ethical questions about survival colonization and cultural identity The quest for gastronomic gratification is a dominant theme in gourmet novels Like cannibalism the gastronomic journey as a literary theme is deeply implicated with cultural identity The final chapter deals specifically with contemporary novels by women some of which celebrate the inclusiveness of eating and writing while others grapple with the fear of eating Such dread or disgust can be seen as a warning against what the complacent gourmet boom of the 1980s and 1990s concealed the dangers of a market economy environmental destruction and continuing gender biases Reading Food in Modern Japanese Literature will tempt any reader with an interest in food literature and culture Moreover it provides appetizing hints for further savoring digesting and incorporating textual food Living Martyrs James F. Fisher, Tanka Prasad Acharya, Rewanta Kumari Acharya, 1997 *Living Martyrs* details the life histories of two important Nepalis Tanka Prasad Acharya and his wife Rewanta Kumari Tanka Prasad was the founder of the first Nepali political party and was imprisoned for ten years for his complicity in a plot to overthrow the Ranas This is his story of a crusade against the autocratic Rana regime it is also the story of Rewanta Kumari's struggle to keep the family together during the years of oppression and to further her husband's efforts in bringing an end to the rule of the Ranas The author presents the life experiences of the Acharyas as narrated to him which makes the book an excellent interactive biography The parallel narratives of Tanka Prasad and Rewanta Kumari illustrate the gendered nature of history James Fisher highlights the importance of oral narratives in the reconstruction of a balanced account of the past *Living Martyrs* presents an overview of the various theoretical positions in the study of resistance This book is a rich source for Nepali culture and a view of Nepali history from the political underside Erasing Borders Ray Unger, 1992 *The Journal of the Numismatic Society of India* Numismatic Society of India, 1959 World Outlook, 1917 **Glimpses of Medieval Bihar Economy** Jagadish Narayan Sarkar, 1978 Japanese Culture H. Paul Varley, 1977 *Householders* Steven D. Carter, 2007 As direct descendants of the great courtier poets Fujiwara no Shunzei 1114-1204 and his son Teika 1162-1244 the heirs of the noble Reizei house can claim an unbroken literary lineage that spans over eight hundred years During all that time their primary goal has been to sustain the poetic enterprise or *michi* way of the house and to safeguard its literary assets Steven D Carter weaves together strands of family history literary criticism and historical research into a coherent narrative about the evolution of the Reizei Way What emerges from this innovative approach is an elegant portrait of the Reizei poets as participants in a collective institution devoted more to the continuity of family poetic practices and ideals than to the concept of individual expression that is so central to more modern poetic culture In addition to the narrative chapters the book also features an extensive appendix of one hundred poems from over the centuries by poets who were affiliated with the Reizei house Carter's annotations provide essential critical context for this selection of poems and his deft translations underscore the rich contributions of the Reizei family and their many disciples to the Japanese poetic tradition The Silver Age of Japanese
