Tantalus In Love Poems:

Tantalus in Love Alan Shapiro, 2006-09-04 Alan Shapiro is at his most passionate in this collection A work full of life jealousy lust and romantic abandon *Tantalus in Love* begins with the sorrow of a disintegrating marriage with its anger and suspicion its hurt and rage but moves on to celebrate the resilience of love after loss and the awakening glory of an amorous middle age Reinventing myth and symbol in lyrical portraits of astounding resonance Shapiro's poems yearn with hesitant love heated at renewal fragile but intensified by past experience of love's evanescence and uncertainty [Love Poems](#)

Simone A. Angelin, 2007-02-01 **Shakespeare's Classical Mythology: A Dictionary** Janice Valls-Russell, Katherine Heavey, 2024-10-17 Why does Bassanio compare himself to Jason What is Hecuba to Hamlet Is the mechanicals staging of the Pyramus and Thisbe story funny or sad This dictionary elucidates Shakespeare's use of mythological references in an early modern context while bringing them to life for today's audiences and readers at a time of renewed critical interest in the reception of the classics and fascination with classical mythology in popular culture It is also a precious tool for practitioners who may not always know quite what to make of mythological references Mythological figures creatures places and stories crowd Shakespeare's plays and poems featuring as allusions poetic analogies inset shows scene settings and characters or plots in their own right Most of these references were familiar to Shakespeare's spectators and readers who knew them from the writings of Ovid Virgil and other classical authors or indirectly through translations commentaries ballads and iconography This dictionary illustrates how far from being isolated a mythological reference may resonate with the poetics of the text and its structure cast light on characters and contexts and may therefore be worth exploring onstage in a variety of ways The 200 headings correspond to words and names actually used by Shakespeare individual figures Dido Venus Hercules categories Amazons Centaurs nymphs satyrs places Colchos Troy Medium and longer entries also cover early modern usage and critical analysis in a cross disciplinary approach that includes reception textual performance gender and political studies

Francisco de Quevedo D. Gareth Walters, 1985 **The Gender of Money in Middle English Literature** Diane Cady, 2019-10-01 *The Gender of Money in Middle English Literature* Value and Economy in Late Medieval England explores the vital and under examined role that gender plays in the conceptualization of money and value in a period that precedes and shapes what we now recognize as the discipline of political economy Through readings of a range of late Middle English texts this book demonstrates the ways in which gender ideology provided a vocabulary for articulating fears and fantasies about money and value in the late Middle Ages These ideas inform beliefs about money and value in the West particularly in realms that are often seen as outside the sphere of economy such as friendship love and poetry Exploring the gender of money helps us to better understand late medieval notions of economy and to recognize the ways in which gender ideology continues to haunt our understanding of money and value albeit often in occluded ways **Classical Myths and Legends in the Middle Ages and Renaissance** H. David Brumble, 1998-02-01 While numerous classical dictionaries identify the

figures and tales of Greek and Roman mythology this reference book explains the allegorical significance attached to the myths by Medieval and Renaissance authors Included are several hundred alphabetically arranged entries for the gods goddesses heroes heroines and places of classical myth a Endeavors ,2005 **Propertius, Greek Myth, and Virgil** Peter Heslin,2018 This volume offers a strikingly innovative account of Propertius relationship with Virgil positing a keen rivalry between two of the greatest poets of Latin literature contemporaries within the circle of Maecenas It begins by examining all of the references to Greek mythology in Propertius first book these passages emerge as strongly intertextual in nature providing a way for the poet to situate himself with respect to his predecessors both Greek and Roman More specifically myth is also the medium of a sustained polemic with Virgil s Eclogues published only a few years earlier Virgil s response can be traced in the Georgics and subsequently in his second and third books Propertius continued to use mythology and its relationship to contemporary events as a vehicle for literary polemic This volume argues that their competition can be seen as exemplifying a revised model for how the poets within Maecenas circle interacted and engaged with each other s work a model based on rivalry rather than ideological adhesion or subversion while also painting a revealing picture of how Virgil was viewed by a contemporary in the days before his death had canonized his work as an instant classic In particular its novel interpretation offers us a new understanding of Propertius one of the foundational figures in Western love poetry and how his frequent references to other poets especially Gallus and Ennius take on new meanings when interpreted as responses to Virgil s changing career **Ovid, the Love Poems** Ovid,1990 Ovid s love poetry like everything else he wrote was original and innovative Yet under the surface of the poet s characteristic wit runs an undercurrent of serious meaning the theme of the poet s complete control of his medium and his art and a proud consciousness of achievements registered and yet to come Ovid claimed to be the Virgil of elegy and in such poetry as Amores Ars Amatoria and Remedia Amoris he largely succeeded These accomplished translations of the love poetry adopt a highly entertaining modern idiom yet maintain the sophisticated elegance of Ovid s Latin Melville the acclaimed translator of the Metamorphoses employs rhyme throughout and evolves an original metrical system that gives a greater sense of Ovid s elegaic couplets than earlier systems He also includes with some revisions B P Moore s brilliant version of Ars Amatoria published over fifty years ago and still unequalled **Antimachus of Colophon and the Position of Women in Greek Poetry** Edward Felix Mendelssohn Benecke,1896 The Love Poems Ovid,2008-05-08 During Shakespeare s lifetime Henry IV was his most popular play Today Sir John Falstaff still towers above Shakespeare s other comic inventions This edition considers the play in the context of various critical approaches offers a history of the play in performance from Shakespeare s time to ours and provides useful information on its historical background Readers will also find detailed commentary on individual words and phrases and selections from Shakespeare s sources *The Missouri Review* ,2006 *New Readings of Late Medieval Love Poems* David Chamberlain,1993 This collection offers new and challenging scholarly interpretations of

six major Chaucerian love poems from *Clanvowe's Cuckoo and the Nightingale* 1385 to the early Renaissance *Court of Love* c 1530 This study reveals previously overlooked subtlety and irony of these works including an original in depth look at the neglected icon of this erotic poetry the hawthorn tree The contributors critical approach emphasizes the texts themselves their cultural context and the literary tradition of the genre The focus is decidedly on the poems likely meaning to their original audiences Chamberlain sketches fifteenth century literary taste in his introduction This book contributes to the ongoing debate about the meaning of love in Middle English and medieval poetry Contents Under the Schadow of the Hawthorne Greene The Hawthorn in Medieval Love Poetry Susan Schoon Everly and David Chamberlain *Clanvowe's Cuckoo* David Chamberlain *Venus Unveiled* Lydgate's *Temple of Glas and the Religion of Love* Bryan Crockett *The air The Plight of the Courtly Lover* Clair F James *The Hope for Pleasaunce* Richard Roos Translation of Alain Chartier's *La Belle Dame Sans Mercy* Melissa Brown Tomus *The Floure and the Leafe An Alternative Approach* Cynthia Lockard Snyder *In Love's Thrall The Court of Love and its Captives* Bonita Friedman **European Romantic Poetry** Michael Ferber, 2005 This anthology of European Romantic poetry in English translation features some 60 poets in seven languages in recent or new verse translations from Ossian to Baudelaire Heine and Mervontov Works include Schiller's *Gods of Greece* Hugo's odes and oriental poems ten women poets in German French Spanish Italian and Russian and more *Yale University Prize Poems* Yale University, 1930 **Selections from the Roman Elegiac Poets** Jesse Benedict Carter, 1900 *Chaucer and the French Love Poets* James I.
