The Tao of Parenting Greta K. Nagel, 1998-11-01 Applying the ancient yet timeless 81 principles of Taoism to parenting The Tao Of Parenting features instructive anecdotes from four families to demonstrate how Taoist teachings help parents raise good healthy children The stories are just as diverse as the families who tell them a blended family featuring children from separate marriages a couple with different cultural and ethical backgrounds a single parent of twin boys and a couple with different parenting techniques learning to compromise Some of the Taoist principles used by these families include Do Not Think of Self Shows the rewards parents receive by making their children their number one priority The material is fleeting the spiritual is everlasting Demonstrates the rewards of caring for those in need Do Not Be Authoritarian Shows how to foster self reliance and responsibility in children while supporting their efforts rather than controlling their every move Follow the middle road it is the heart of knowing Offers the benefits of parents being neither too permissive or too strict but rather adjusting the rules for each child and each circumstance There are many more valuable lessons in this special book which can be used by parents of all faiths to help guide their lives and those of their children *The Parent's Tao Te Ching* William Martin, 1999-03-31 In this vivid new interpretation of the Tao Te Ching Martin addresses the great themes that underscore loving parent child relationships 20 illustrations The Tao of Motherhood Vimala McClure, Vimala Schneider McClure, 2011 The author a mother and teacher of meditation and yoga was inspired to meditate with each of the teachings of the Tao te ching to capture its wisdom in words specifically directed to mothers *The Tao of Parenting* Matthew P.
