Tapworks A Tap Dictionary And Reference Manual:

Tapworks ,1997 **Tapworks** Beverly Fletcher,2002 As the official reference manual of the Dance Masters of America this tap dance resource contains more than 1 500 up to date entries about every facet of this uniquely American art form It provides a history of tap dance as well as the dancers who defined it This manual also includes a comprehensive dictionary of tap and dance terminology with a special section devoted to teachers *Information Resources in the Humanities and the Arts* Anna H. Perrault Ph.D.,Elizabeth S. Aversa,Sonia Ramírez Wohlmuth,Cynthia J. Miller,Cynthia F. Miller,2012-12-10 This familiar guide to information resources in the humanities and the arts organized by subjects and emphasizing electronic resources enables librarians teachers and students to quickly find the best resources for their diverse needs Authoritative trusted and timely *Information Resources in the Humanities and the Arts* Sixth Edition introduces new librarians to the breadth of humanities collections experienced librarians to the nature of humanities scholarship and the scholars themselves to a wealth of information they might otherwise have missed This new version of a classic resource the first update in over a decade has been refreshed to account for the myriad of digital resources that have rewritten the rules of the reference and research world and been expanded to include significantly increased coverage of world literature and languages This book is invaluable for a wide variety of users librarians in academic public school and special library settings researchers in religion philosophy literature and the performing and visual arts graduate students in library and information science and teachers and students in humanities the arts and interdisciplinary degree programs *Jazz Dance* Lindsay Guarino,Wendy Oliver,2014-02-25 The history of jazz dance is best understood by comparing it to a tree The art form s roots are African Its trunk is vernacular shaped by European influence and exemplified by the Charleston and the Lindy Hop The branches are many and varied and include tap Broadway funk hip hop Afro Caribbean Latin pop club jazz popping B boying party dances and much more Unique in its focus on history rather than technique *Jazz Dance* offers the only overview of trends and developments since 1960 Editors Lindsay Guarino and Wendy Oliver have assembled an array of seasoned practitioners and scholars who trace the many histories of jazz dance and examine various aspects of the field including trends influences training race gender aesthetics the international appeal of jazz dance and its relationship to tap rock indie black concert dance and Latin dance Featuring discussions of such dancers and choreographers as Bob Fosse and Katherine Dunham as well as analyses of how the form s vocabulary differs from ballet this complex and compelling history captures the very essence of jazz dance *Dance Appreciation* Dawn Loring,Julie Pentz,2021-01-28 Dance is an activity that everyone can enjoy and *Dance Appreciation* will help students do just that *Dance Appreciation* is written to encompass the needs of a broad range of dance students from high school to university level and is appropriate for students who are new to dance as well as those who are experienced in the art form The text will help learners discover more about themselves connect with dance and make it a relevant and vital part of their lives whether it is their primary course of study eventual career path or

simply a way to express themselves and enrich their lives This text is the only dance appreciation resource that offers ancillary materials for instructors Instructor ancillaries consisting of an instructor guide test package and PowerPoint presentation package make the teaching experience both easier and more effective whether teaching in face to face or online settings Five video segments demonstrate elements of dance and offer associated learning and movement activities bringing the content to life for students Textbook elements such as learning objectives key terms Enduring Understanding statements Spotlight special elements and chapter discussion questions help students navigate the chapters and retain the essential content In addition related resources delivered through HKPropel supply students with learning activities individual and group projects handouts time lines suggestions for further reading video recommendations and more to facilitate the learning experience Dance Appreciation helps students understand dance from the perspectives of dancers choreographers and professionals in other careers related to dance Students are introduced to a broad range of dance genres forms and styles and they learn to forge a relationship with dance as an art form connecting it with other academic and artistic disciplines and with their own life experiences The text is organized into three parts Part I Exploring Dance provides a foundational understanding of who dances and why and it introduces the elements of dance and movement principles Part II Selected Dance Genres and Styles covers Western dance genres examining classical concert dance forms hip hop and aerial and site specific dance highlighting notable artists and events In part III Connecting With Dance students delve into aspects of dance performance and production learning approaches for viewing and responding to dance performances and exploring the role of global interactions especially through online content and social media in developing and transmitting new dance forms and styles Throughout the text readers will learn about dance related career paths Dance Appreciation offers instructors an up to date comprehensive resource complete with an array of ancillaries that ensures that students have the opportunity to become informed discerning and responsive dance audience members and gain a broad appreciation of dance as an art form and a lifetime physical activity Note A code for accessing HKPropel is not included with this ebook but may be purchased separately

Encyclopedia of African-American Culture and History Colin A. Palmer, 2006 Contains primary source material

Studying Dance Karen Schupp, 2014-10-27 Studying Dance A Guide for Campus and Beyond is a comprehensive bridge for students transitioning into the first year of a college dance program Through this text students will understand dance in new and exciting ways embrace it as an academic discipline navigate and take charge of their dance education and visualize potential careers after graduation Studying Dance A Guide for Campus and Beyond opens students eyes to all the artistic cultural and educational aspects of dance By expanding their thinking students will move to a deeper understanding of themselves as dancers and the world around them The author demystifies the entire first year experience while guiding students in the discovery of dance as a multifaceted discipline Students will examine academic expectations time management the importance of staying focused and balancing school and life They will delve into the various areas of

dance and a range of careers and paths available to them They will learn the differences in types of college dance courses the approaches used and how to personalize their dance education through individualized instructional opportunities and peer collaboration The text also will prompt students to visualize and plan their dance lives beyond campus so they can set clear goals for studying and succeeding as young professionals Studying Dance A Guide for Campus and Beyond contains many student friendly features 15 easy to digest chapters provide the rules of the road that lead to a successful freshman year and future career 49 interviews with current dance students recent graduates and dance professionals encourage students to reflect on and take charge of their learning Web resource with learning activities glossary lists web links and other tools personalize each student s journey through the content With this text teachers can help students expand their thinking about dance in ways that will lead to success on campus and beyond **Choice** ,2003 Books in Print Supplement ,2002

Forthcoming Books Rose Arny,2002 **Index to Dance Periodicals** ,1998 The Souls of Your Feet Acia Gray,1998 Acia Gray s The Souls of Your Feet is an exciting self paced journey into the world and creation of the art of tap dance Whether student professional or fan of this indigenous American dance form this guidebook leads the reader on an exploration of the essentials and basics of tap dance composition and communication from the perspective of a career professional G.K. Hall Bibliographic Guide to Dance New York Public Library.
