## Tarr Wordsworth Romance:

*Romanticism, Medicine and the Natural Supernatural* Gavin Budge,2012-10-17 This fascinating interdisciplinary study examines the relationship between literary interest in visionary kinds of experience and medical ideas about hallucination and the nerves in the first half of the nineteenth century focusing on canonical Romantic authors the work of women writers influenced by Romanticism and visual culture [T. S. Eliot and the Romantic Critical Tradition](#) Edward Lobb,2015-12-22 Edward Lobb s study first published in 1981 is a thorough examination of Eliot s relation to Romantic criticism This title also makes extensive use of Eliot s Clark Lectures on metaphysical poetry Delivered in 1926 the lectures complete the picture of literary history set out in Eliot s published work and are the author believes essential to a full understanding of the poet s ideas and their place in tradition Drawing on a wide variety of primary sources and earlier scholarship T S Eliot and the Romantic Critical Tradition will be of interest to students of literature [\*\*The Encyclopedia of Romantic Literature, 3 Volume Set\*\*](#) Frederick Burwick,Nancy Moore Goslee,Diane Long Hoeveler,2012-01-30 The Encyclopedia of Romantic Literature is an authoritative three volume reference work that covers British artistic literary and intellectual movements between 1780 and 1830 within the context of European transatlantic and colonial historical and cultural interaction Comprises over 275 entries ranging from 1 000 to 6 500 words arranged in A Z format across three fully cross referenced volumes Written by an international cast of leading and emerging scholars Entries explore genre development in prose poetry and drama of the Romantic period key authors and their works and key themes Also available online as part of the Wiley Blackwell Encyclopedia of Literature providing 24 7 access and powerful searching browsing and cross referencing capabilities [Romantic Women's Writing and Sexual Transgression](#) David Sigler,Kathryn Ready,2024-02-06 Women s writing was a crucial part of the history of sexuality in the Romantic period yet has not often been seen as part of that history This collection shows how women writers fit into a tradition of Romanticism that recognizes transgressive sexuality as a defining feature Building on recent research on the period s sexual culture it shows how women writers were theorizing perversions in their literary work and often leading transgressive sexual lives In doing so the collection also challenges current understandings of transgression as a sexual category [The Edinburgh Review in the Literary Culture of Romantic Britain](#) William Christie,2016-06-16 From its first issue published on the 10th October 1802 Francis Jeffrey s Edinburgh Review established a strong reputation and exerted a powerful influence This is a literary study of the Edinburgh Review for over fifty years It contextualizes the periodical within the culture wars of the Romantic era [\*\*Romantic Medicine and the Gothic Imagination\*\*](#) Laura R. Kremmel,2022-04 This book debates a crossover between the Gothic and the medical imagination in the Romantic period It explores the gore and uncertainty typical of medical experimentation and expands the possibilities of medical theories in a speculative space by a focus on Gothic novels short stories poetry drama and chapbooks By comparing the Gothic s collection of unsavoury tropes to morbid anatomy s collection of diseased organs the author

argues that the Gothic's prioritisation of fear and gore gives it access to nonnormative bodies reallocating medical and narrative agency to bodies considered otherwise powerless Each chapter pairs a trope with a critical medical debate granting silenced bodies power over their own narratives the reanimated corpse confronts fears about vitalism the skeleton exposes fears about pain the unreliable corpse feeds on fears of dissection the devil redirects fears about disability the dangerous narrative manipulates fears of contagion and vaccination Politics of Romanticism Zoe Beenstock, 2016-04-08 Redefines Romantic sociability through a reading of social contract theory The Politics of Romanticism examines the relationship between two major traditions which have not been considered in conjunction British Romanticism and social contract philosophy She argues that an emerging political vocabulary was translated into a literary vocabulary in social contract theory which shaped the literature of Romantic Britain as well as German Idealism the philosophical tradition through which Romanticism is more usually understood Beenstock locates the Romantic movement's coherence in contract theory's definitive dilemma the critical disruption of the individual and the social collective By looking at the intersection of the social contract Scottish Enlightenment philosophy and canonical works of Romanticism and its political culture her book provides an alternative to the model of retreat which has dominated accounts of Romanticism of the last century Key Features Develops new understanding of Romanticism as political movement Offers fresh readings of canonical works by Coleridge Wordsworth Godwin Mary Shelley and Carlyle by tracing their implicit dialogue with the political philosophy of Rousseau and other Enlightenment political theorists Shows that the philosophical routes of Romanticism and its ties to German Idealism originate in empiricism Carries important consequences for the contemporary understanding of the self an understanding that is partly rooted in notions that originated with the Romantics Modernism David Ayers, 2008-04-15 This short introduction to Modernism analyses the movement from the perspective of English and American literature Provides a critical overview of some of the central texts of literary Modernism Covers both established works and those that have only recently come to critical attention Includes detailed discussion of major authors including T S Eliot Virginia Woolf D H Lawrence Wallace Stevens and H D **The Romantic Movement**, 1986 **The Lion and the Unicorn**, 1993 A critical journal of children's literature **The Academy**, 1898 *The Bookman*, 1897 *The Romantic Movement Bibliography*, 1936-1970 Aubrey Christian Elkins, Lorne J.
