Tarring A Walk Through Its History:

Tar Heel History on Foot Lynn Setzer, 2013-10-01 This lively collection of 34 of the best history walks in North Carolina highlights the richness and diversity of the state's history from the time of its first settlement to the present. Veteran guidebook author Lynn Setzer leads readers on short walks in state parks and natural areas, state historic sites, charming small towns from the mountains to the sea, and the state's largest cities. Along the way, she brings to life some of our state's most momentous events, most accomplished and notorious characters, and most famous firsts. These walks are varied, pleasant, and accessible to almost every reader, including older day trippers and families with young children. Some walks include add-ons should readers wish to make a longer day of it. Organized by theme and location, the walks are accompanied by maps and photographs, as well as information on each walk's length and difficulty. A list of sources directs readers to additional information so that they can continue a deeper exploration of North Carolina history. Dr. White brings more than sixteen years of research to this very full and vivid account of the town's development since it was the site of a large-scale flint factory in the Stone Age. She draws on unusual, amusing, and intriguing episodes, plus tales of local characters, to enliven the solid factual narrative. This is the first modern, comprehensive account of Worthing's past and will be welcomed by all.
