## **Taste Of Blood Spirit Possession In Brazilian Candomble:**

**The Taste of Blood** James William Wafer,1991 The Taste of Blood brilliantly explores both Condomble and the representations of ethnographic research Folklore Forum *The Taste of Blood* Jim Wafer,2010-11-24 Enter the fascinating world of the Condomble regions of Brazil where interaction between spirits and human is considered an everyday occurrence Jim Wafer uncovers the social life rituals folklore and engaging personalities of the villagers of Jacari among whom trances sorcery and spirit possession demonstrate the coexistence of different kinds of reality This ethnography is intriguing not only because of the originality of its approach to the more enigmatic aspects of another culture but also because it uses insights gained from participation in that culture to reflect on the paradoxes inherent in the writer s own culture and in the human condition in general

**Spirit Possession around the World** Joseph P. Laycock,2015-05-26 This book provides a fascinating historical and cultural overview of traditional beliefs about spirit possession and exorcism around the world from Europe to Asia and the Middle East to the Americas Possession and exorcism are elements that occur in nearly every culture Why is belief in spiritual possession so universal This accessible reference volume offers a broad sample of the traditions and cultures involving possession and exorcism presenting thoughts on this widely popular topic by experts from the fields of anthropology sociology religious studies history neuroscience forensics and theology The entries cover the subject of possession and exorcism across all inhabited continents from the Bronze Age to the 21st century providing information that is accessible and intriguing as well as scholarly and authoritative Beyond addressing the Christian tradition of possession and exorcism Pentecostalism and New Age and less widely known Western concepts about possession and exorcism this work examines ideas about possession and exorcism from other world religions and the indigenous cultures of Asia Africa and the Americas It also covers historic cases of possession and presents biographies of famous theologians exorcists and possessed individuals High school and undergraduate readers will learn about world history religious and spiritual traditions and world cultures through a topic that figures prominently in popular culture and modern entertainment Bibliographies that accompany each entry as well as a selected general bibliography serve to help students locate print and electronic sources of additional information

**Journeys to the Federative Republic of Brazil; Review & Analysis** Kalman Dubov,2024-11-29 Unlike other Central or South American countries Brazil is the only country that speaks Portuguese In the late 15th century Spain and Portugal divided the world and signed the Treaty of Tordesillas to formalize their intended world conquests This was the Age of Discovery when men of resolve and courage sought fame and fortune by conquering the rest of the world Portuguese sailors came to Brazil claiming the territory for their monarch Soon other European powers realized the importance of this land and sought to remove the Portuguese An example was the Dutch who conquered a part of Brazil for a few short years However the Portuguese soon returned and the Dutch were forced to relinquish their territory While the history of Brazil is filled with European powers vying to control this territory its effect on the indigenous population was a

disaster Millions of Indigenous died from diseases for which they had no immunity as from slavery When the Indigenous men and women in Brazil died as a result of the harsh working conditions millions of slaves were imported from Africa Today Brazil's population has many of their descendants forcing the country to reckon with their needs and cultural heritage This book describes the story of Brazil from what is known of its Indigenous population their decimation and their demand for more than survival in this land But Brazilian politics is not for the fainthearted as leaders both named and elected trampled on the Indigenous communities to forcefully gain economically While Brazil is indeed a South American powerhouse its favelas crime and illicit drugs are a stark reminder that a sizeable proportion of the needy requires attention This book is also the story of the Jewish population who sought refuge in Brazil in the past Sephardic Jews came to this country seeking refuge from the anti Semitic Portuguese who had expelled them from Iberia in 1497 The Portuguese came with the Inquisition and imposed harsh sentences on Jews who lived outwardly as Catholics but inwardly as Jews They briefly found a safe haven in Dutch Brazil but as soon as the Portuguese returned they were forced to flee Today many thousands of Jews have helped make Brazil the success it is But their story is one of travail loss and hard won challenges

**Ecstatic Encounters** Mattijs Port,2025-10-01 Ecstatic Encounters takes its readers to the threshold of Candombl temples in Bahia Brazil where for many generations members of this spirit possession cult and curious outsiders have been meeting to marvel at each other's otherness Having allowed himself to be baffled by Candombl's mysteries and miracle productions the author explores the notion of the rest of what is the excess that is the inevitable by product of all reality definitions the non sensical that is the surplus of all culturally informed sense making Ethnographical insights in Afro Brazilian mysticism are thus made to speak to anthropological forms of world making in a study that rejects the totalizing pretensions of all reality definitions emphatically including those of academia The theoretical importance of this book lies in its critical assessment of the constructivist paradigm that long dominates cultural and social anthropology Adopting the Lacanian premise that the meaningful worlds we inhabit are lacking and depend on fantasy and make belief to be perceived as coherent persuasive and incontestable this study argues that the analysis of cultural forms should always include an exploration of the processes of cultural enchantment that endow man made worlds of meaning with a sense of the really real Ecstatic Encounters is written in an accessible engaging literary style Philosophical issues are taken out on the streets to be pondered in the face of everyday life just as mundane dimensions of being are allowed to soil the conventional proprieties of academic text production

**Handbook of Contemporary Religions in Brazil** Bettina Schmidt,Steven Engler,2016-09-19 The Brill Handbook of Contemporary Religions in Brazil provides an unprecedented overview of Brazil's religious landscape It offers a full balanced and contextualized portrait of contemporary religions in Brazil bringing together leading scholars from both Brazil and abroad drawing on both fieldwork and detailed reviews of the literatures For the first time a single volume offers overviews by leading scholars of the full range of Brazilian religions alongside more theoretically oriented discussions of relevant

religious and culture themes This Handbook's three sections present specific religions and groups of traditions Brazilian religions in the diaspora and issues in Brazilian religions e.g. women possession politics race and material culture

Consulting Spirits Joel BJORLING, 1998-04-30 Throughout history people have been intrigued with spirits angels or devas as sources of wisdom and guidance They are not only interesting as those who possess an insight into events and circumstances but also as proof of life after death In this clear and useful reference guide BJORLING presents a listing of the literature on the various ways in which people of different cultures have consulted spirits through shamans and oracles magic mediums Voodoo and psychics Each chapter contains a general introduction to the respective topic as well as a listing of pertinent books articles and dissertations His survey also includes early spirit contacts in Africa Latin America and Asia *Spirit Possession, Modernity & Power in Africa* HEIKE BEHREND, 1999 In Africa as well as in Europe many spirits and their mediums are part of local as well as global cultures Christian spirits named Hitler Mussolini or King Bruce Bruce Lee flourish in a pantheon of new holy spirits in Uganda waging war against the government Spirits of airplanes engines guitars and angels are found in Central Africa and thunder snakes and rain as well as playboys and prostitutes inhabit the spirit world in West Africa Spirit possession cults have continued to proliferate even in the secular West and continue to be a subject of intense interest Despite the continuous expansion of the field some problems are only now beginning to be explored The experts in this volume focus on questions of power the history and inner dynamics of cults the role of gender and images of the other based on research conducted during the last fifteen years in Africa The contributors document changes taking place across the continent as possession beliefs and practices respond to new circumstances and address the shifting local implications of an increasingly global socio economy Gender ethnicity and class are examined as intersecting forces and features of spirit phenomena The case studies presented are richly contextualized history social organization and upheaval alternative religious options all are considered relevant to an understanding of possession forms Contributors Leslie Sharp HEIKE BEHREND Adeline MASQUELIER Mathias KRINGS Jean Paul COLLEYN Alexandra O de SOUSA Susan KENYON Tobias WENDL Ute LUIG and Linda GILES Co published with James Currey Publishers U K The Wisconsin edition is not for sale in the United Kingdom the traditional British Commonwealth excepting Canada nor in Europe *Secrets, Gossip, and Gods* PAUL CHRISTOPHER JOHNSON, 2002 A comprehensive look at the development beliefs and practices of Candombl exploring its transformation from a secret society of slaves hidden persecuted and marginalized to a public religion that is very much part of Brazilian culture

Husserl and Spatiality TAO DUFOUR, 2021-11-29 Husserl and Spatiality is an exploration of the phenomenology of space and embodiment based on the work of Edmund Husserl Little known in architecture Husserl's phenomenology of embodied spatiality established the foundations for the works of later phenomenologists including Maurice Merleau Ponty's well known phenomenology of perception Through a detailed study of his posthumously published and unpublished manuscripts on space Dufour examines the depth and scope of Husserl's phenomenology of space The book investigates his analyses of corporeity

and the lived body extending to questions of intersubjective intergenerational and geo historical spatial experience what DuFour terms the environmentality of space Combining in depth architectural philosophical investigations of spatiality with a rich and intimate ethnography Husserl and Spatiality speaks to themes in social and cultural anthropology from a theoretical perspective that addresses spatial practice and experience Drawing on fieldwork in Brazil DuFour develops his analyses of Husserl's phenomenology through spatial accounts of ritual in the Afro Brazilian religion of Candombl The result is a methodological innovation and unique mode of spatial description that DuFour terms a phenomenological ethnography of space The book's profoundly interdisciplinary approach makes an incisive contribution relevant to academics and students of architecture and architectural theory anthropology and material culture and philosophy and environmental aesthetics

**Occasions of Faith** Lawrence J. Taylor, 1995 Devotional occasions or experiences by

Irish Catholics form the crux of this powerful first book length anthropological study of Irish Catholicism Questions central to the study of religion inform Occasions of Faith What is religion and how do official and popular religion differ What is the relation between power and meaning What are the roles of religious and political regimes in the social construction of religion In exploring these questions the book draws on two major theoretical traditions in the anthropological study of religion the tradition of Geertz Douglas and Turner and that of Marx Foucault and Asad Even the powerful religious regime

Taylor finds in Irish Catholicism must leave creative space for what he calls a religious imagination Basic fears and needs propel the people of southwest Donegal and all of us Taylor argues to respond creatively to strong personal religious experiences and to invent forms to express them     New West Indian guide ,2004
