The Plagues of Friendship Sem Miantoloum Beasnael, 2002-06-27 Thirty eight year old Marcia Evans has spent her adult life as a struggling actress unable to penetrate that barrier which prevents her from having the big break all aspiring actors and actresses hope to achieve which will move her career to the next level She works part time at a day job and does small acting gigs on the side She is tired of her lifestyle and of life in the big city Marcia eventually discovers a charming house set in the woods while traveling to an acting job at a theater outside of the city She learns that the original owners who were killed in a car accident twenty years after the house was built were retirees who enjoyed aiding transients and runaways The house passed on to the niece of the wife who died only five years after moving into the house at a very young age Using part of her grandmother's inheritance Marcia purchases the house from the son of the deceased owner for a suspiciously low price She moves into the house and rents a room out to Stephen Gomaz a co worker at her job and with whom she falls in love But chronic illness terrifying nightmares and strange paranormal activity cause Marcia to question the true character of the original owners and the events that may have happened in the house With the aid of a deputy sheriff and a psychic the horrifying truth of the house is revealed

**Memoirs of an Italian Geek** R. Santi, 2003-08 Memoirs of an Italian Geek is a collection of stories that tell the ongoing tale of the childhood and adolescent escapades of a third generation Italian American Geek as he deals with the tribulations of life technology and friendship throughout the last few decades of the twentieth century Starting with his earliest memories of the golden years before school began and on through to his graduation from high school the endless impact of his friends and family influences continue to keep our Geek in a constant state of change and often confused Dealing with personal issues and other cataclysmic changes our Geek learns that not everything can be prepared for and sometimes the most meaningful changes occur without warning Confronted with the challenges of academic achievements or lack thereof and endless extracurricular chaos usually inspired by girls our Geek fights a constant battle between trying to stay afloat on the seas of trouble childhood and not drowning in a coming of age rip tide Memoirs of an Italian Geek is the tale of this journey through churning and often unfriendly waters

**The Anthropology of Intensity** Paul Kockelman, 2022-05-19 What counts as too close for comfort How can an entire room suddenly feel restless at the imminence of a yet unknown occurrence And who decides whether or not we are already in an age of unliveable extremes The anthropology of intensity

studies how humans encounter and communicate the continuous and gradable features of social and environmental phenomena in everyday interactions Focusing on the last twenty years of life in a Mayan village in the cloud forests of Guatemala this book provides a natural history of intensity in exceedingly tense times through a careful analysis of ethnographic and linguistic evidence It uses intensity as a way to reframe Anthropology in the age of the Anthropocene and rethinks classic work in the formal linguistic tradition from a culture specific and context sensitive stance It is essential reading not only for anthropologists and linguists but also for ecologically oriented readers critical theorists and environmental scientists
