Tangle Fairies:

Tangle Fairies Steve Tiller,2001 Tangle Fairies come out to play when you're sleeping and tangle bed sheets and hair

The First Tangle Fairy Penny Donehoo,2023-03-31 Have you ever had a knot or a tangle in your hair Do you wonder how it got there Rachel wonders that too She is a little girl who lives across the street from a park where Tanya and other fairies secretly live The fairy community has put in new rules to keep everyone safe from people Tanya is a young fairy who has difficulty with the fairy world's new restrictions Her love of dancing and a curious nature send Tanya on an adventure where her life and Rachel's life become tangled together Look inside this book and discover how that happens Tangle Fairies Steve Tiller,2001-09 It's a funny little story that I'm sure you've never heard You may think it's kind of silly probably absurd Why no matter if you comb your hair before you go to bed in the morning when you wake up you have tangle in your head The tale is so surprising so startling and so merry It really is the fault of little Tangle Fairies With bright imaginative illustrations and fun rhythmic language this story will enchant children children read after read While answering one of childhood's previously unsolved mysteries Tangle Fairies will make the morning rituals of combing hair and making beds more fun as children and parents check to make sure no Tangle Fairies are still lurking nearby Tangle Box Terry Brooks,2009-07-29 Oh what a tangled web Everything should have been quiet and pleasant for Ben Holiday the former Chicago lawyer who became sovereign of the Magic Kingdom of Landover But it wasn't Horris Kew conjurer confidence man and trickster had returned to Landover from Ben's own world Alas Horris had not returned of his own volition he had been sent by the Gorse a sorcerer of great evil whom Horris had unwittingly freed from the magic Tangle Box where it had long ago been imprisoned by the fairy folk Now it had returned to enslave those who had once dared condemn it But first it would rid Landover of all who could stand in its way Soon Ben found himself imprisoned within the gloom of the Tangle Box lost in its mists and its labyrinthine ways The only one who could free Ben from the Tangle Box was the lady Willow But she had disappeared was gone from Landover on a mysterious mission of her own The Devil's Tangle C. E. Page,2025-03-31 A stolen rose a mad prince a sister's sacrifice and the dark curse that binds them Music is Dahlia's life Born with the uncanny ability to play any instrument she picks up her songs seem to possess the power to transfix soothe and even heal their listeners But in her world of expected propriety and dutiful acceptance of her future as the wife of Lord John Beaumont such a gift has no place Like the ruined castle at the center of the wildwood it reminds people of the old stories Stories of enchanted beasts changelings and immortal bargains Stories better forgotten But on the night of solstice those ancient tales come crashing into reality when Dahlia's younger sister Helena plucks a rose from the ruined castle's overgrown garden For centuries Caspian Greymorn has been a loyal servant of the Master the fae prince who guards the forgotten castle that was once a bridge between realms But when a foolish mortal girl steals from the palace garden and her equally foolish sister begs to be punished for the theft in her sister's place that loyalty is stretched to breaking point Who is this strange young woman

with eyes like burned honey and the exiled prince s gift of song Is she the soul rumoured to be able to break the Master s curse or is she just a deadly distraction What is the price of a single rose For Dahlia and Caspian it just might cost them everything ***The Tangle Fairy*** Seema Barker,2011 The mischievous tangle fairy explains to Jaya why she must make her hair so tangly during the night ***Belgravia*** ,1879 ***The Tangle Fairy*** Seema Barker,2011 Why is Jaya s hair always in such a tangle From witches to dragons each night The Tangle Fairy explains to Jaya why she must make her hair so tangly Children will love to follow Jaya as she tries to get to the bottom of the mischievous Tangle Fairy s stories ***The Secret of the Tangle Fairies*** Cheri Ulanow-Chunn,2016-04-12 We see and experience so many normal things every day Some pleasant and some not so pleasant like hair that gets tangles Why not put a fun spin on it and use the imagination to make even the simplest things in life fantastic Tangle Fairies are the tiniest and most wonderful little creatures in the whole fairy world And let me tell you if you know where to look there are a lot of different fairies with all kinds of different special magic But these little dancing fairies are special because they absolutely love anything soft colorful and beautiful
