Tango Nomade El:

Tango Dance and Music Kendra Stepputat,2024-01-30 This book investigates choreomusical aspects of tango argentino in translocal practice in particular its current manifestation in Europe It looks at translocal tango argentino in its many facets movement structures sound structures dancers and musicians and the complex relations between these factors that all have their share in shaping the practice Beyond being the first extensive monograph about translocal tango music and dance the book crosses borders in the use of both qualitative and quantitative methods ranging from participant observation to statistical data evaluation including optical motion capture for movement analysis The book contains a brief historical overview of tango argentino practice in the twentieth century bringing together the development of music and dance in a holistic way to better understand the background of the current interconnectedness The first main part of the book focuses on the danceability aspect of tango music The exploration is based on tango DJs tango dance teachers and tango musicians view of tango danceability as well as experimental approaches The second part is dedicated to tango dance and its musicality It investigates with quantitative and qualitative methods tango movement repertoire and principles and how these relate to tango musical features The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Creative Commons Attribution NonCommercial ShareAlike CC BY NC SA license

Rise and Fall of the Cosmic Race Marilyn Grace Miller,2009-07-21 Latin America is characterized by a uniquely rich history of cultural and racial mixtures known collectively as mestizaje These mixtures reflect the influences of indigenous peoples from Latin America Europeans and Africans and spawn a fascinating and often volatile blend of cultural practices and products Yet no scholarly study to date has provided an articulate context for fully appreciating and exploring the profound effects of distinct local invocations of syncretism and hybridity Rise and Fall of the Cosmic Race fills this void by charting the history of Latin America's experience of mestizaje through the prisms of literature the visual and performing arts social commentary and music In accessible jargon free prose Marilyn Grace Miller brings to life the varied perspectives of a vast region in a tour that stretches from Mexico and the Caribbean to Brazil Ecuador and Argentina She explores the repercussions of mestizo identity in the United States and reveals the key moments in the story of Latin America's cult of synthesis Rise and Fall of the Cosmic Race examines the inextricable links between aesthetics and politics and unravels the threads of colonialism woven throughout national narratives in which mestizos serve as primary protagonists Illuminating the ways in which regional engagements with mestizaje represent contentious sites of nation building and racial politics Miller uncovers a rich and multivalent self portrait of Latin America's diverse populations **The Cambridge Companion to Tango** Kristin Wendland,Kacey Link,2024-03-28 Tango music rapidly became a global phenomenon as early as the beginning of the twentieth century with about 30% of gramophone records made between 1903 and 1910 devoted to it Its popularity declined between the 1950s and the 1980s but has since risen to new heights This Companion offers twenty chapters from

varying perspectives around music dance poetry and interdisciplinary studies including numerous visual and audio illustrations in print and on the accompanying webpages Its multidisciplinary approach demonstrates how different disciplines intersect through performative historical ethnographic sociological political and anthropological perspectives These thematic continuities illuminate diverse international perspectives and highlight how the art form flourished in Argentina Uruguay and abroad while tracing its international and cultural impact over the last century This book is an innovative resource for scholars and students of tango music particularly those seeking a diverse international perspective on the subject

El tango nómade Ramón Adolfo Pelinski,2000 El tango ya centenario tiene el privilegio de ser la musica popular mas antigua que aun goza de difusion mundial Como el jazz tambien el tango fue musica del mundo antes de la presente ola de musicas del mundo Nacido a fines del siglo pasado a orillas del Rio de la Plata en un proceso de mestizaje que involucra a inmigrantes europeos gauchos seminomades negros liberados de la esclavitud y criollos sedentarios de la capital el tango se mestiza sin cesar empenandose en una variacion continua al contacto con otras culturas En El tango nomade tangologos de varios paises rastrean los caminos sinuosos que recorre el tango desde que deja su territorio sedentario en el Rio de la Plata para producir nuevas ramificaciones transculturales en Paris roma Barcelona Madrid Helsinki
