Taressas Journey:

Garthion's Child Tamera Austin, 2011-09-05 For Taressa Wardell life was nothing more than one huge ball of struggle chaos and confusion Born to an uncaring mother and raised on the streets her world revolved around drugs alcohol promiscuous sex and more drugs She completely lacked self confidence self esteem and self worth Life had reached a point of having no meaning for her For too many years now she had felt dead inside a hollowed husk doing nothing but going through the motions of what others expected from her However when an extraterrestrial being shows up at her front door announcing that her presence is required on another planet Taressa's mind is thrown into panic mode forcing her to look outside the scope of her blurred and hazy existence Had she hallucinated the little blue creature and its words of prophecy She wanted desperately to believe she had But her soul told her differently Her soul told her she was about to fall into the biggest vat of manure she had ever experienced Her mind told her she would never survive Motherhood, Mental Illness

and Recovery Nikole Benders-Hadi, Mary E. Barber, 2014-08-01 Despite the importance of regaining social roles during recovery from mental illness the intersection between motherhood and serious mental illness is often overlooked This book aims to rectify that neglect A series of introductory chapters describing current research and services available to mothers with serious mental illness are followed by personal accounts of clients reflecting on their parenting experiences One goal of the book is to provide clinicians with information that they can use to help patients struggling with questions and barriers in their attempts to parent The inclusion of personal accounts of mothers on issues such as stigma fears and discrimination in the context of parenting with a mental illness is intended to promote the message of mental illness recovery to a larger audience as well Finally it is hoped that this handbook will help inspire more research on mothers with mental illness and the creation of more services tailored to their needs **The Hot Spot** Taressa, 2007-06-26 Public relations whiz Kendra Harrell

is hopelessly in love with love But her latest crush presents a real conflict of interest Yusef Huntley is the sexy chief of staff for Atlanta's high profile congressman who happens to be Kendra's client Does she dare mix business with pleasure Her friends are divided on this one but they've got problems of their own Meghan Bennett is the Black American Princess of Protocol and Atlanta's leading VIP event planner To top things off her Mr Right has finally popped the question But Meghan can't accept until she figures out what to do about his One Big Flaw in the bedroom Stephanie Ivey is a slick corporate tigress who juggles the city's most eligible men with ease But despite her skills at seduction she can't crack her own personal pleasure code much to her dissatisfaction Torn between romance and ambition Kendra lands an assignment that could combine both the chance to create a campaign for a lush new Caribbean resort Soon she and her friends are packing their bags and leaving Atlanta for what becomes a sexy scandalous comedy of errors that will call for Kendra's unique spin
