## Tarzan 4 Comics:

**Cartoonists, Works, and Characters in the United States through 2005** John Lent, 2006-04-30 This penultimate work in John Lent's series of bibliographies on comic art gathers together an astounding array of citations on American cartoonists and their work. Author John Lent has used all manner of methods to gather the citations: searching library and online databases, contacting scholars and other professionals attending conferences and festivals, and scanning hundreds of periodicals. He has gone to great length to categorize the citations in an easy-to-use scholarly fashion, and in the process has helped to establish the field of comic art as an important part of social science and humanities research. The ten volumes in this series, covering all regions of the world, constitute the largest printed bibliography of comic art in the world and serve as the beacon guiding the burgeoning fields of animation, comics, and cartooning. They are the definitive works on comic art research and are exhaustive in their inclusiveness, covering all types of publications: academic, trade, popular, fan, etc., from all over the world. Also included in these books are citations to systematically researched academic exercises, as well as more ephemeral sources such as fanzines, press articles, and fugitive materials, conference papers, unpublished documents, etc., attesting to Lent's belief that all pieces of information are vital in a new field of study such as comic art. Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office, 1976. *The Art of Joe Kubert* Bill Schelly, Joe Kubert, 2011-10-31 Joe Kubert is one of the great comic book artists. His career literally traverses the history of comics, beginning in 1938 when he became a professional at age 12, to today as one of the greatest draftsmen working in the field. Kubert is known and respected as much for his sinewy, passionate drawing as he is for his consummate storytelling skills. Over his 70-year career in comics, he has worked as an artist, an editor, a publisher, an entrepreneur, and a cartooning auteur. *The Art of Joe Kubert* is a deluxe full-color book that honors this legendary creator with beautifully reproduced artwork from every phase of his career, as well as critical commentary by the book's editor, comics historian, and Kubert biographer Bill Schelly. Comic Book-17ed Robert M. Overstreet, 1987-03 The recognized authority in this field and an established bestseller, this eagerly awaited 17th edition features a 40-page color section. *Man of Rock* Bill Schelly, 2008-11-17 Joe Kubert's extraordinary career spans the history of the comic book in America; he began drawing comics in 1938, just as Superman made his debut in *Action Comics* #1, and continues to be one of the most vital cartoonists working today, writing and drawing both mainstream comic book characters as well as more recently, graphic novels of his own conception. Kubert made his name working for DC Comics on acclaimed series starring Sgt. Rock, Easy Co. Hawkman, Tarzan, and has worked on many of DC's most commercially successful properties: Superman, Batman, Flash, et al. Kubert has created comics for virtually every major publisher over an incredible 70 years in the business, including Marvel and EC. He started the Joe Kubert School of Cartoon and Graphic Art in the 1980s. In the 1990s, he wrote and drew his own graphic novels, including *Fax from Sarajevo*, which won the Will Eisner Comics Industry Award for Best Graphic Novel.
