The lexeme in descriptive and theoretical morphology Olivier Bonami, Gilles Boyé, Georgette Dal, Hélène Giraudo, Fiammetta Namer, 2018 After being dominant during about a century since its invention by Baudouin de Courtenay at the end of the nineteenth century morpheme is more and more replaced by lexeme in contemporary descriptive and theoretical morphology The notion of a lexeme is usually associated with the work of P H Matthews 1972 1974 who characterizes it as a lexical entity abstracting over individual inflected words Over the last three decades the lexeme has become a cornerstone of much work in both inflectional morphology and word formation or as it is increasingly been called lexeme formation The papers in the present volume take stock of the descriptive and theoretical usefulness of the lexeme but also address many of the challenges met by classical lexeme based theories of morphology

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
