

A close-up photograph of a BMW car's interior climate control system. The image shows a black plastic dashboard with two large rectangular air vents at the top, each with horizontal slats. Below the vents are two vertical sliders for temperature adjustment, marked with '1' at the top and '0' at the bottom. To the right of these sliders is a small digital display showing '20.0°C'. Below the display are two small buttons, one blue and one red. Further down, there are two circular rotary dials for fan speed and mode selection, each with a red and blue ring. The overall lighting is dim, highlighting the textures of the plastic and the metallic accents on the sliders and dials.
