

# We Stand Together

When your little heart is troubled  
The clouds above are grey  
There are those who will protect you  
and help keep harm at bay.  
In good or bad times  
They work for you and me  
Helping us  
To be  
the very best  
that we can be.

## CHORUS

We stand together  
We stand as one  
2 billion children  
Beneath one sun  
We have the rights to  
Be free and play,  
To be sheltered come what may

If you find your smile is hiding  
You feel a little blue  
Just remember all the rights that  
are looking after you.  
When you have bad days  
There's somewhere you can go  
With grown ups who will listen  
Tell you all you need to know.

**Deep and Wide** Evan B. Howard,2023-05-02 Commitment to a life of prayer and community can prove to be a great help for those involved in politics Rather than being distracted away from action Evan B Howard argues that committed Christians often find both freedom and empowerment to contribute to the greater good of the world A review of the history of committed Christian life monasticism shows that devout communities have engaged in a wide range of socio political arenas We can explore today what nuns and monks have accomplished in the past We can speak into political conversations We can care for those in need We can model new ways of ordering life together We can take concrete political action in governmental process We can pray This book blends examination of history with musings about the Christian life and politics generally It also offers a collection of monastic practices to equip communities and individuals to embody an appropriate blend of deep and wide for themselves
